CHAIRMAN'S MESSAGE TO THE SHAREHOLDERS AT THE 12TH ANNUAL GENERAL MEETING HELD ON 30.09.2024

Dear Shareholders,

It is my great pleasure to write to you following a remarkable year of growth across our businesses, highlighting our strong financial health and operational excellence. Our commitment to customer and all the stakeholders is reflected in our pursuit of ongoing growth and enduring value, as we reflect on the past year, I am pleased to share the significant strides the Corporation has made in delivering value to stakeholders. This achievement has been made possible through continuous improvement and tireless work.

I am proud to report that the comprehensive income of your Corporation for the year reached ₹ 17,508 Lakh, resulting in a Profit After Tax (PAT) of ₹ 7,956 Lakh.

In view of Honorable Prime Minister pledge at COP26 Climate Conference in Glasgow that India will achieve net zero carbon emission by 2070. Honorable Prime Minister has also raised the Nationally Determined Contribution (NDC) target of non-fossil energy capacity to 500 GW by 2030. UT Administration of DNH & DD have sought opportunity to increase its RE development by installing rooftop solar power plant at various Government buildings of DNH. There are 441 nos. of Government buildings in DNH and out of which 256 buildings are found feasible for installation of Rooftop Solar Power Plant and out of these feasible 256 buildings, installation on 83 Government buildings have been carried out with installed capacity of 0.888 MW. During the FY 2023-24 the Corporation has generated 6.08 MU's of Solar Energy. Installed capacity of 4 number of ground mounted solar power plant is 4.3 MW. Solarised installed capacity of 131 Government buildings is 2.08 MW. Total installed capacity of solar power plant of the Corporation is 6.38 MW.

High transmission system availability is essential for enabling secure energy transition. Last year, we achieved a transmission system availability of 99.07%, one of the highest in the country, and our tripping rates are lowest as compared to other neighbouring utilities. Our technical experts work tirelessly to ensure the availability and reliability of power transmission system in the territory. The Corporation's commitment lies in efficiently maintaining and operating this huge network. It ensures efficient power delivery by minimizing energy loss during transmission. Additionally, we play a crucial role in maintaining grid stability by managing power flows and preventing outages. This robust network underpins the "One Nation, One Grid, One Frequency" initiative, facilitating seamless power exchange between regions and promoting national energy security.

The Corporation has been guided by a set of strong beliefs, right from the time it was founded. Belief in putting the customer above all, belief in investing in people and empowering them and belief in doing right for all the stakeholder communities. The Corporation will make all efforts to ensure sustainable growth and further to attain better heights of performance. On behalf of the Board of Directors and the entire team at the Corporation, I extend my sincere appreciation for your continued trust and support. We are dedicated to creating long-term value for you, our valued shareholders, and I look forward to your continued partnership as we embark on this journey of growth and excellence.

Thank you for your confidence in the Corporation.

Daman,
September 30, 2024

(**Praful Patel**)
Chairman

Shri Praful Khodidas Patel
Chairman

is an Administrator of Dadra & Nagar Haveli and Daman & Diu and in charge Administrator of Lakshadweep. He has served as Minister of State – Home Gujarat. He is **Chairman** of the Corporation w.e.f. 30.12.2016.

Shri Arun T., IAS
Managing Director

is an IAS officer of AGMUT Cadre 2013 Batch. He has been appointed as the Secretary (Power and Non-Conventional Renewable Source of Energy), Dadra & Nagar Haveli and Daman & Diu.

He has been appointed as a **Managing Director** in the Corporation w.e.f. 10.03.2023.

Shri Gaurav Singh Rajawat,
Nominee Director **IAS**

is an IAS officer of AGMUT Cadre 2011 Batch. He has been appointed as the Finance Secretary, Dadra & Nagar Haveli and Daman & Diu.

He has been appointed as a **Director** in the Corporation w.e.f. 16.02.2021.

Shri Priyank Kishore, IAS
Nominee Director

is an IAS officer of AGMUT Cadre 2020 Batch. He has been appointed as the Collector, Dadra & Nagar Haveli.

He has been appointed as a **Director** in the Corporation w.e.f. 27.02.2024.

Smt. Charmie Parekh, DANICS
Nominee Director

is a DANICS officer, General Manager, OI DC, Daman with the additional charge of OSD to the Hon'ble Administrator, DNH & DD.

She has been appointed as a **Women Director** in the Corporation w.e.f. 25.10.2023.

Shri Hemanshu Kapadia
Independent Director

is Practicing Company Secretary & Insolvency Professional at Mumbai. He is having more than 30 years' experience in the area of corporate laws, secretarial, finance and legal matters. He is rendering his services to reputed business houses which includes listed, unlisted, public & private companies. He is also a law graduate. He is associated with UT of Daman & Diu and Dadra & Nagar Haveli as Company Law Advisor since 1992.

He is an **Independent Director** in the Corporation w.e.f. 15.02.2013

Shri Pentayya Polagani
Independent Director

is post-graduate in Electrical Engineering from Andhra University. He has 33 years of experience in Power System Operation in Central Electricity Authority, Power Grid Corporation of India Ltd and Power System Operation Corporation Ltd. He was head of two Regional Load Dispatch Centers - ERLDC and WRLDC from Feb'10 to Feb'14 and presently retired from service. He has vast experience in Power System Operation, Power System studies, protection, commercial & market operations, SCADA & EMS and Cyber Security.

He joined the Company as **Independent Director** w.e.f. 08.08.2014

2023-24 Annual Report

Directors' Report

DIRECTORS' REPORT 2023-24

To,
The Members,

The Board of Directors has immense pleasure to present the 12th Annual Report on the performance of the DNH and DD Power Corporation Limited (i.e. DNHDDPCL formerly known as DNHPDCL / the Corporation) together with the Audited Financial Statements for the Financial Year (FY) ended 31st March 2024.

1. KEY HIGHLIGHTS:

The key performance highlights for the Financial Year 2023-24 are as under:

- | Total income in FY 2023-24 stood at ₹ 17,508 Lakh.
- | The Corporation has achieved a profit before tax of ₹ 10,919 Lakh for FY 2023-24.
- | The net worth of the Corporation for FY 2023-24 stood at ₹ 76,069 Lakh.

Other Milestones

- | The renewable power generation capacity i.e. the capacity of Solar Power Generation of the Corporation stood at 6.09 Million KWh as against 5.36 Million KWh during previous FY 2022-23, thus showing an increase of 0.73 Million KWh (13.62%).

2. FINANCIAL PERFORMANCE HIGHLIGHTS:

The financial performance of the Corporation for the year ended March 31, 2024 is summarized hereunder. It may be noted that the Corporation (DNHDDPCL) currently remains associated with functions related to generation of electricity (solar) and transmission of electricity (as per the Schedule C of the Transfer Scheme notified in official gazette of UT Administration of Dadra & Nagar Haveli and Daman & Diu on 09/03/2022) after the privatisation.

(₹ in Lakh)

Balance carried to Balance Sheet	7,956	3,872
Earnings per Share in ₹		
(Equity share having face value of ₹100/- each)	20.41	9.94

These financial performances have been summarized on the basis of Indian Accounting Standards (Ind AS) notified under 'Companies Indian Accounting Standard Rules 2015'.

3. OPERATIONAL PERFORMANCE:

During FY 2023-24, there is no actual power purchase from any generators due to the change in business of the Corporation from distribution business to transmission business. Further, the own generation of electricity from solar plants was 6.09 Million KWh as against 5.36 Million KWh during previous FY 2022-23. Hence, the total electricity available for sale was 6.09 Million kWh, thus showing an increase of 0.73 Million kWh (13.62%).

4. OPERATIONAL RESULTS:

The total revenue from operations during FY 2023-24 was ₹ 12,903 Lakh. The Corporation has engaged in two business i.e. Transmission of Power and Sale of Power (i.e. Solar Power) and the revenue from transmission of power and solar power during FY 2023-24 was ₹11,413 Lakh.

Accordingly, the total comprehensive income after the provision of income tax (i.e. profit after tax) for FY 2023-24 was ₹ 7,956 Lakh.

5. FINANCIAL REVIEW / ANALYSIS:

Results of Operations (Statement of Profit and Loss Analysis)

A detailed financial analysis of results of operations of the Corporation is furnished below. Reference to the Note in the following paragraphs refers to the Notes to the Financial Statements of FY 2023-24 included in this Annual Report. Figures of previous FY have been regrouped / rearranged, wherever necessary.

Total Income (Statement of Profit & Loss)

The total income mainly comprises of income from two business i.e. Transmission of Power and Sale of Power (i.e. Solar Power) and other miscellaneous income. The total income for FY 2023-24 was ₹ 17,508 Lakh (i.e. Revenue from Operations ₹ 12,903 Lakh + Other Income ₹ 4,605 Lakh). In FY 2023-24, transmission and transmission-related activities constituted 62.82% of our total income, with the balance coming from sale of solar power business and other income.

REVENUE FROM OPERATIONS (NOTE – 21)

The details of revenue from operations as under;

(₹ in Lakh)		
Particulars	FY 2023-24	FY 2022-23
Revenue from Transmission of Power	10,998	6,396
Revenue from Solar Power	415	365
Less: Rebate allowed to Consumer	168	94
Add: Other Operating Income	10	41
Add: Contract Asset towards consumers	1,648	–
Total Revenue from Operations	12,903	6,708

Energy is life..... Conserve it

The revenue from transmission of power during FY 2023-24 was ₹ 10,998 Lakh. The monthly tariff of intra-state transmission charges ₹ 917 Lakh was approved by the JERC in the ARR petition for the tariff determination of the transmission business for the FY 2023-24.

The revenue from sale of Renewable Power during FY 2023-24 was ₹ 415 Lakh. The monthly tariff was derived on the basis of JERC approved levelised tariff for power from ground mounted solar plants and roof-top solar plants. The total unit sold to consumers for FY 2023-24 was 6.09 Million kWh. The average selling price during FY 2023-24 for ground mounted solar plants was ₹ 6.44 per unit and for roof-top solar plants was ₹ 7.12 per unit.

The Corporation is a rate regulated entity and tariff for transmission of electricity is determined by regulatory commission (JERC) as per respective MYT (Multi Year Tariff) Regulation. The said regulatory regime also results into sales billing in less of eligible revenue as per applicable regulations. In view of said circumstances, the accounting policy on 'Revenue recognition from transmission of power' provides that unbilled receivables (Contract Assets) is recognised, when there is billing in less of revenue as per applicable regulations. During the Current FY 2023-24, the Corporation has incurred Power Purchase Cost on account of the judgement dated 20.04.2023 passed by the Hon'ble Supreme Court in the matter of change in law claims by M/s GMR Warora Energy Limited (GWEL) and the Corporation has realised less revenue of ₹ 1,648.00 Lakh through sales billing / approved tariff rate (i.e. non recovery of power purchase cost) and accordingly, the same was shown as 'Contract Asset towards consumer'. This will be reversed and adjusted in the next financial year through sales billing / approved tariff rate.

During the FY 2023-24, the prompt payment rebate was also given to the consumer (i.e. Discom) on promptly payment of transmission & solar bills amount to ₹ 168 Lakh which is as per the respective regulation and agreed terms of PPA.

Other Income (Note – 22)

The Other Income for FY 2023-24 was ₹ 4,605 Lakh as compared to ₹ 3,518 Lakh for previous FY 2022-23 i.e. thus showing an increase of ₹ 1,087 Lakh. The main component of other income is Interest Income, Delayed Payment Charges and Lease Income. The detailed analysis for increase in other income head is as under-

- | Increase in interest income of ₹ 1,411 Lakh (i.e. ₹ 4,097 - ₹ 2,686 Lakh) on account of improvement in fund availability with the Corporation and increase in interest rate.
- | Increase in Delayed payment income of ₹ 293 Lakh (i.e. ₹ 293 - ₹ NIL) on account of recovery of past arrear including delay payment amount from consumer through new Discom as per notified transfer scheme.
- | Lease rental income was ₹ 78 Lakh for the FY 2023-24. As per the transfer scheme, the Corporation has extended the permission of DNHDDPCL (New DISCOM) to use of buildings and offices of the Corporation as per lease rate determined by the Public Works Department (PWD), DNH & DD i.e. ₹ 6.5 Lakh per month.
- | Miscellaneous income and sale of scrap was ₹ 27.95 Lakh for the FY 2023-24 (Previous FY 2022-23 was ₹ 678.25 Lakh)

Total Expenditure (Statement of Profit & Loss)

The total expenditure for FY 2023-24 was ₹ 6,589 Lakh as compare to previous FY was ₹ 3,980 Lakh. The main component of the expenditure is Operation & Maintenance, Employee Cost, Depreciation and Administrative & Other Expenses. The details of the total expenditure as under;

(₹ in Lakh)

Particulars	FY 2023-24	FY 2022-23
Total Expenses:		
Other Direct Expenses (Purchase of Power)	1,648	–
Operation & Maintenance Expenses	1,357	954
Employee Benefits Expenses	550	563
Administrative & Other Expenses	1,692	1,223
Finance Costs	16	-
Depreciation & Amortization	1,326	1,240
Total Expenditure	6,589	3,980

Other Direct Expenses (Purchase of Power) (Note – 23)

During FY 2023-24, there is no actual power purchase from any generators due to the change in business of the Corporation from distribution business to transmission business. However, the Purchase of Power amount of ₹ 1,648 Lakh shown in the profit & loss statement represents the expense incurred on account of the judgement dated 20/04/2023 passed by the Hon'ble Supreme Court of India in the matter of change in law claims by M/s GMR Warora Energy Limited (GWEL). Whereas, in FY 2019-20, the Corporation recognized a contingent liability related to power purchase expenses on account of change-in-law claims by M/s GWEL. This contingent liability was disclosed further as to be recoverable from consumers as Purchase of Power cost through JERC tariff. Following the judgment of Hon'ble Supreme Court, this liability crystallized in FY 2023-24 and was settled and accounted for as a 'Other Direct Expenses (Purchase of Power)' in the current financial statements, complying with the Corporation's accrual-based Material Accounting Policy and provisions of relevant Indian Accounting Standards.

Operation & Maintenance Expenses (Note – 24)

The Operation and Maintenance Expenses for FY 2023-24 was ₹ 1,357 Lakh (Previous FY 2022-23 ₹ 954 Lakh). The main components of the said expenses are as follows;

- | O&M of all sub-stations amount to ₹ 494 Lakh,
- | Transformer, Lines Network and other electrical equipment maintenance expenses amount to ₹ 282 Lakh,
- | Man Power cost for O&M and security amount to ₹ 222 Lakh,
- | Vehicle cost for O&M and office amount to ₹ 124 Lakh,
- | Stores and spares cost amount to ₹ 57 Lakh,
- | Office Maintenance expenses i.e. Lift services, AC services, computers & printer services and CCTV amount to ₹ 83 Lakh and
- | JERC petition Fees ₹ 95 Lakh.

Employee Benefits Expenses (Note – 25)

The Employee Benefits Expenses for FY 2023-24 was ₹ 550 Lakh as compared to ₹ 563 Lakh for previous FY 2022-23 i.e. thus showing a marginal decrease of ₹ 13 Lakh due to the 2 employees are superannuated.

Finance Costs (Note – 26)

The finance costs for FY 2023-24 was ₹ 16 Lakh on account for self-assessment tax paid to Income Tax Authorities.

Administration and Other Expenses (Note – 27)

The Administration and Other Expenses for FY 2023-24 was ₹ 1,692 Lakh as compared to ₹ 1,223 Lakh for previous FY 2022-23 i.e. thus showing an increase of ₹ 469 Lakh. The said increase was mainly on account of following;

- | Increase of ₹ 29 Lakh (₹ 301 Lakh – ₹ 272 Lakh) on account of statutory CSR (Corporate Social Responsibility) expenses,
- | Increase in reserve of bad and doubtful debts of ₹ 52 Lakh (₹ 543 Lakh – ₹ 491 Lakh) on account of statutory reserve as per the policy of bad and doubtful debts,
- | Increase in other Administrative expenses of ₹ 388 Lakh (₹ 848 Lakh – ₹ 460 Lakh) on account of the expenses occurred for National Event, National Festival and various visits of officials. The expenses are pertaining to Electrical material purchase for event execution and light illumination at various government building.

Depreciation (Note – 1 & 3)

The depreciation for FY 2023-24 was ₹1,326 Lakh as compared to ₹1,240 Lakh for previous FY 2022-23 i.e. thus

showing an increase of ₹ 86 Lakh. The said increase was mainly on account of capitalization of new fixed assets (i.e. Property, Plant & Equipment) amounting to ₹ 665 Lakh. The said assets mainly included one 20 MVA power transformer at wagdhara sub-station and one 20 MVA transformer at rakholi sub-station.

In addition, the Corporation has redrawn its depreciation policy for renewable energy plants (Solar Plants) to align with JERC Solar Tariff Regulation. The key changes include a new depreciation rate specifically provided for renewable energy plants, as prescribed by JERC Solar Tariff Regulation, which is 5.83% per annum for the first 12 years, followed by a straight-line method over the remaining useful life. Previously, depreciation for renewable energy plants (Solar Plants) were provided at a rate of 5.28% using the straight-line method over the useful life of the assets, as per the rates specified / notified in respective Central Electricity Regulatory Commission (Generation, Transmission and Distribution Multi Year Tariff) Regulation (CERC). This has resulted in addition of ₹ 35 Lakh in current financial year depreciation of Solar Plants group.

Profit / Loss before Tax and Other Comprehensive Income (Statement of Profit & Loss)

The profit before tax of the Corporation for FY 2023-24 was ₹ 10,919 Lakh as compare to previous FY was ₹ 6,246 Lakh.

Tax Expenses (Note – 39)

The provision for income tax for FY 2023-24 was ₹ 2,963 Lakh as compare to previous FY was ₹ 2,374 Lakh..

Profit / Loss after Tax and Total Comprehensive Income (Statement of Profit & Loss)

The total comprehensive income after the provision of income tax (i.e. profit after tax) for FY 2023-24 was ₹ 7,956 Lakh (Previous FY 2022-23 was ₹ 3,872 Lakh) .

FINANCIAL POSITION (BALANCE SHEET ANALYSIS)

No material changes and commitments have occurred after the close of the financial year till the date of the Annual Report, which affect the financial position of the Corporation. Financial Analysis of financial position of the Corporation is furnished below. Reference to the Note in the following paragraphs refers to the Notes to the Financial Statements of FY 2023-24 included in this Annual Report.

Property, Plant & Equipments (PPE) and Intangible Assets (Note – 1 and 3)

The PPE and Intangible Assets net of depreciation and amortization as on 31st March 2024 was ₹ 39,714 Lakh as compared to ₹ 39,049 Lakh as on 31st March 2023, thereby registering an increase of ₹ 665 Lakh. The said increase was mainly on account of capitalization of new fixed assets mainly included one 20 MVA power transformer at wagdhara sub-station and one 20 MVA transformer at rakholi sub-station.

Capital Work in Progress (CWIP) (Note – 2)

Capital Work in Progress as on 31st March 2024 was ₹ 550 includes the amount being incurred on assets under construction i.e. Solar Plant at various location in DNH of ₹ 481.39 Lakh and installation of transmission equipments of ₹ 68.79 Lakh.

Total Current Assets (Note – 5 to Note – 9)

The current assets comprising of mainly O&M inventories, trade receivables, cash and bank balances, loans and advances, other recoverable and prepaid expenses was ₹ 64,690 Lakh as on 31st March, 2024 in comparison to ₹ 55,000 Lakh as on 31st March, 2023, thus showing an increase of ₹ 9,690 Lakh. The increase was mainly on account of cash and bank balances.

Non-Current Assets classified as held for sale (Note – 10)

The non-current assets classified as held for sale comprising of surplus infrastructure which is dismantled. The Corporation has completed and commissioned underground cabling works in Silvassa Municipal Council area along with construction of new 66/11 KV GIS substation at Zanda Chowk, Silvassa. The said project has completed and commissioned in FY 2020-21. The completion of said project necessitated disposal of overhead lines, distribution transformers and other associated equipments being surplus infrastructure. As the said underground cabling project has been carried out with new technology in electricity distribution such as GIS

substations and 66/11 KV/.433 KV compact sub-station (CSS), hence, the said surplus infrastructure as kept in use for some time to ensure the reliability and uninterrupted supply with new infrastructure. During the current financial year, the said surplus overhead infrastructure is dismantled and classified as Non-current assets held for sale to ₹ 159 Lakh at the end of FY 2023-24.

Net worth (Note – 11 & 12)

The net worth comprising of paid up share capital and revenue reserves created out of the profits of the Corporation at the end of FY 2023-24 stands to ₹ 76,069 Lakh as against ₹ 68,112 Lakh at the end of FY 2022-23, thereby registering an increase of ₹ 7,957 Lakh. The said increase was mainly on account of increase in revenue reserves created out of the current year's profits.

Non-Current Financial and Other Liabilities (Note – 13 to 16)

The total non-current financial and other liabilities, which includes security deposit from consumers and deferred tax liabilities was ₹ 2,405 Lakh as on 31st March, 2024 in comparison to ₹ 2,408 Lakh as on 31st March 2023, thus showing a decrease of ₹ 3 Lakh. The decrease was mainly on account of decrease in deferred tax liabilities.

Current Financial and Other Liabilities (Note – 17 to Note – 20)

The current financial and other liabilities comprising of mainly trade and other payables, payable towards deposit works, liability towards consumers, provisions, current tax liability and other liabilities was ₹ 2,269 Lakh as on 31st March 2024 in comparison to ₹ 3,154 Lakh as on 31st March 2023, thus showing a decrease of ₹ 885 Lakh. The decrease was mainly on account of decrease in Trade and Other Payables.

Financials at a Glance

The financial performance of DNHDDPCL for the last two financial years along with the key financial ratios is summarized as "Financials at a Glance" and enclosed as Annexure – A.

6. DIVIDEND

There was remarkable turnaround in the financial performance of the Corporation in the Current FY 2023-24, the Corporation has achieved a post-tax profit of ₹ 7,956 Lakh for FY 2023-24 and attained a better financial standing. However, keeping in view the fund requirement of future projects and ongoing commercial litigation with GMR Warora Energy Limited, it is proposed not to declare any dividend for FY 2023-24 to equity shareholders. Hence, the Board of Directors has decided not to recommend any dividend for FY 2023-24.

7. SHARE CAPITAL

DNHDDPCL is a government company with 100% shareholding by the President of India and nominees, through administrative control of Ministry of Home Affairs (MHA). The Corporation has only one class of shares having par value of ₹ 100/- each with equal rights for dividend and vote. The total equity paid-up share capital was ₹ 38,974 lakh as on 31st March, 2024 against the Authorized Capital of ₹ 50,000 lakh. There was no change in share capital during FY 2023-24 as compared to previous FY 2022-23.

8. TRANSFER TO RESERVES

In the FY 2023-24, there were no transfer of funds to any Reserves.

9. SYSTEM IMPROVEMENTS INITIATIVES:

- A. The Corporation has taken up many steps for the improvement of system. The Corporation has made the following major improvements and provided continuous and un-interrupted power supply.
- (i) Installation of new 20MVA Power Transformer at Kharadpada, Waghdhara and Rakholi.
 - (ii) Installation of Online Drying Unit System (ODUS) to extend the life of transformers by improving breakdown voltage (BDV) of oil.
 - (iii) Installation of Solar Roof Top Plants at various Government Buildings of DNH.
 - (iv) Replacement of Transformer Bay, Breakers, Batteries, Lighting Arrester and other equipments at various Sub-Stations.

- (v) Systematic and scheduled operation and maintenance of existing transformers and lines to ensure the uninterrupted power supply 24/7.

B. TRANSMISSION SYSTEM AVAILABILITY:

In the FY 2023-24, the Corporation achieved 99.07% Transmission System Availability (TSA) against JERC standard TSA of 98.50%.

C. VARIOUS OTHER INITIATIVES

i. CONSUMER SERVICES:-

Your Corporation is committed to ensure customer satisfaction through excellent, prompt service. In this direction, the operation and maintenance staffs are extending round the clock service to ensure quality power supply and attending technical faults in transmission network to ensure uninterrupted power supply.

ii. SAFETY MEASURES TAKEN:-

The safety of personnel working in the Corporation is the utmost importance for the wellbeing and healthiness of the Corporation. Your Corporation is ensuring adequate safety measures as per Indian Electricity (IE) Rules, 1956 for safety of living beings and to avoid any accident due to electrocution from its network.

iii. ONGOING AND FUTURE PLANS:-

The following works are proposed to be executed in the next three years for strengthening the transmission system to provide reliable and stable power to consumers of Dadra and Nagar Haveli.

- | Establishment of 66/11 KV, 2 X 20 MVA Sub-station at Silli.
- | Establishment of 66/11 KV, 2 X 20 MVA Sub-station at Sayli.
- | Establishment of 66/11 KV, 2 X 20 MVA Sub-station at Chinchpada.
- | Establishment of 66/11 KV, 2 X 20 MVA Sub-station at Naroli.

iv. TARIFF:-

The JERC (Joint Electricity regulatory Commission) for the State of Goa and Union Territories is the Regulatory Authority for the working of electricity utilities in the Union Territories and is entrusted with various functions including the determination of tariff for transmission licensees in the State of Goa and Union Territories of Andaman & Nicobar Islands, Lakshadweep, Chandigarh, Dadra Nagar Haveli & Daman and Diu and Puducherry.

The Corporation filed petition for approval of Transmission Tariff for FY 2023-24 vide letter No. 11-8(55)/DNHDDPCL/2022/592 dated 6th December, 2022. After initial scrutiny/analysis, the present Petition was admitted on 26th December, 2022 and marked as Petition no. 93/2022. The Commission vide its order dated 30th March, 2023 had approved net ARR of ₹ 109.98 Crore for FY 2023-24.

Further, the Corporation filed petition for approval of Transmission Tariff for FY 2024-25, whereas after initial scrutiny/analysis, the Commission has admitted the petition on 15th January, 2024 and marked as Petition No. 122/2024. In addition, the Commission vide its order dated 11th June, 2024 has passed the tariff order for the FY 2024-25

v. E-TENDERING:-

The Corporation has implemented e-tendering process for all tenders having estimated cost of more than ₹ 5.00 lakh, which has significantly improved the transparency in procurement of goods and services.

vi. MEASURE TAKEN TO REDUCE TRANSMISSION LOSSES:-

The Corporation has started vigorous installation checking, re-strengthening electrical network wherever required. The old electrical network is being replaced. The Corporation has started planned maintenance of lines, transformers, 66KV sub-stations.

10. FIXED DEPOSIT

Your Corporation has not accepted any fixed deposit within the provisions of Chapter V of the Companies Act, 2013.

3.	Shri Hemanshu Kapadia, Independent Director	-	Member
4.	Shri P. Pentayya, Independent Director	-	Member

The Corporation being a Government Company, the provisions of section 134(3)(e) of the Companies Act, 2013 shall not apply in view of the Gazette notification dated 05-06-2015 issued by Government of India, Ministry of Corporate Affair. The Company being a Government Company in which all members of the Board are appointed by the Administrator, DD & DNH in pursuance of the Articles of Association. The appointment and remuneration of other employees of the Corporation are done as per Recruitment Rules/Policies approved by the Board.

18. ANNUAL GENERAL MEETING

The 11th Annual General Meeting of the Corporation was held on 25th October, 2023.

19. DIRECTORS' RESPONSIBILITY STATEMENT

To the best of knowledge and belief and according to the information and explanations received, Directors make the following statement in terms of Section 134(3)(c) of the Companies Act, 2013 for the Financial Year 2023-24.

- a) In the preparation of the Annual Accounts, the applicable Accounting Standards had been followed along with proper explanation relating to material departures;
- b) The Directors had selected such accounting policies and applied them consistently and made judgements and estimates that are reasonable and prudent so as to give a true and fair view of the state of the affairs of the company at the end of the financial year and of the profit and loss of the company for that period;
- c) The Directors had taken proper and sufficient care for the maintenance of the adequate accounting records for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- d) The Directors had prepared the annual accounts on a going concern basis;
- e) The Directors have laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and were operating effectively; and
- f) The Directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

20. CORPORATE GOVERNANCE:

Your Corporation is committed to best practices in Corporate Governance by adhering to high standards of transparency and accountability in the interest of all the stakeholder. To begin with, your Corporation has appointed Independent Professional Directors from diverse fields and constituted Audit Committee, CSR Committee and Nomination & Remuneration Committee.

21. STATEMENT CONTAINING SALIENT FEATURES OF THE FINANCIAL STATEMENTS OF SUBSIDIARIES / ASSOCIATE COMPANIES / JOINT VENTURES

The Corporation does not have subsidiaries, joint ventures and associate companies.

22. PARTICULARS OF EMPLOYEES

None of the employees of the Corporation were in receipt of remuneration in excess of limits prescribed under Rule 5(2) of Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014.

23. PARTICULARS OF CONTRACTS AND ARRANGEMENT WITH RELATED PARTIES

DNHDDPCL being a government company with 100% shareholding by the President of India and under the administrative control of Ministry of Home Affairs (MHA) is subject matter of strict rules and norms for every transaction entered into during normal course of business. There were no materially significant related party transactions having potential conflict with the interests of the Corporation at large during FY 2023-24. Nevertheless, Related Party Disclosures are included in the notes forming part of the Financial Statements.

24. LOANS, GUARANTEES OR INVESTMENT U/S 186 OF COMPANIES ACT, 2013

The particulars of loans given and investment made are included in the notes forming part of the Financial Statements of the Corporation (i.e. Note no. 4 'Non-current Financial Assets - Others') in terms of requirement of Section 186 of the Companies Act, 2013.

25. TRANSFER OF UNCLAIMED DIVIDEND TO INVESTOR EDUCATION AND PROTECTION FUND

Since there was no unpaid/unclaimed Dividend as on 31/03/2024, the provisions of Section 125 of the Companies Act, 2013 does not apply to the Company.

26. RESOURCE MOBILISATION, CONSERVATION OF ENERGY, RESEARCH AND DEVELOPMENT, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNINGS AND OUTGO

Presently, the Corporation has not deployed / mobilized any long term resources (i.e. long term borrowings) for business requirements. There is no transaction undertaken by the Corporation during the FY 2023-24, which involved the payment / earning in the foreign exchange. Further, there is no scope on incurring of any expenditure on Research & Development / Technology Development keeping in view the nature and area of business.

Information required to be disclosed pursuant to Section 134(3)(m) of the Companies Act, 2013 read with Rule 8 (3) of the Companies (Accounts) Rules, 2014 with respect to conservation of energy, technology absorption and foreign exchange earnings & outgo are furnished in Annexure-5 which forms part of this Report.

27. STATEMENT INDICATING DEVELOPMENT AND IMPLEMENTATION OF RISK MANAGEMENT POLICY

Enterprise Risk Management Policy has been framed for identification of key risk areas and to formulate appropriate risk mitigation plans for taking corrective action in a time bound manner. The Board has also constituted Risk Management Committee under Chairmanship of Managing Director and comprising of Independent Directors, Chief Engineer, Chief Financial Officer/ General Manager (HR & Admin.) and Superintending Engineer.

28. WHISTLE BLOWER POLICY FOR DIRECTORS AND EMPLOYEES

The Corporation has adopted a Vigil Mechanism/ Whistle Blower Policy as per the requirements of Section 177 of the Companies Act, 2013. All employees of the Corporation and Directors on the Board of the Company are covered under the mechanism. This mechanism has been established for employees to report concerns about unethical behavior, actual or suspected fraud or violation of Code of Conduct. It also provides for adequate safeguards against the victimization of employees who avail of the Mechanism and allows direct access to the Chairman of the Audit Committee in exceptional cases.

The Vigil Mechanism/Whistle Blower Policy may be accessed on the Company's website at the link www.dnhddpcl.in.

29. ANNUAL PERFORMANCE EVALUATION OF THE BOARD AS A WHOLE, ITS COMMITTEES AND INDIVIDUAL DIRECTORS

In pursuance of the provisions of the Companies Act, 2013, your Corporation has devised a policy for performance evaluation of Independent Director. The evaluation of performance of Independent Directors is carried out by entire Board of Directors excluding the Director being evaluated. While evaluating the performance of the Independent Directors, the following parameters are considered:

- Attendance at Board meetings and Committees thereof;
- Participation in Board meetings or Committee meetings;
- Contribution towards strategic decision making;
- Contribution towards review of risk assessment and risk mitigation;
- Contribution towards review of Financial Statements and Business Performance; and
- Contribution towards development of brand image of the Corporation.

Ministry of Corporate Affairs vide its GSR 463 (E) dated 5th June 2015 exempted the provisions of Section 134(3)(p) to Government Companies in case the directors are evaluated by the Ministry or Department of the Central Government which is administratively in charge of the Company or as the case may be, the State Government as per its own evaluation methodology. Schedule IV of the Companies Act, 2013 deals with Code of Conduct for Independent Directors inter-alia provides that Independent Directors in their separate meeting shall review the performance of non-independent directors, the Board as whole and the Chairman. Thus, the Independent Directors in their separate meeting reviewed the performance of the Non-Independent Directors, Board as whole, Committees and the Chairman. The Board of Directors reviews the performance of the Independent Director.

30. DISCLOSURE UNDER THE SEXUAL HARASSMENT OF WOMEN AT WORKPLACE (PREVENTION, PROHIBITION AND REDRESSAL), ACT, 2013

In line with provisions of "Sexual Harassment of Women (Prevention, Prohibition & Redressal) Act, 2013, an "Internal Complaints Committee" has been constituted in the Corporation for Redressal of complaint(s) against sexual harassment of women employees.

During the FY 2023-24, the Company did not receive any complaint of sexual harassment.

31. GENERAL

The Board of Directors state that no disclosure or reporting is required in respect of the following items as there were no transactions on these matters during the reported year:

- a) Issue of equity shares with differential rights as to dividend, voting or otherwise.
- b) Sweat equity shares to employees of the Company under any scheme.
- c) Stock Options to the Directors or any employee of the Company.
- d) Buy back of securities and Bonus shares
- e) Neither the Managing Director nor the whole-time Directors of the Company receive any remuneration or commission from any its subsidiaries.
- f) No significant or material orders were passed by the regulators or Courts or Tribunals which impact the going concern status and Company's operations in future.
- g) There was no change in the nature of business of the Company during the FY 2023-24.

32. ACKNOWLEDGMENT

The Board of Directors take this opportunity to thank the Ministry of Home Affairs, Ministry of Power, the Administration of Dadra & Nagar Haveli and Daman & Diu, Central Electricity Regulatory Commission (CERC), Joint Electricity Regulatory Commission (JERC), Appellate Tribunal for Electricity (APTEL), Statutory Auditors, Secretarial Auditors and other Auditors, Bankers, Consumers and Suppliers for their co-operation and support. The Directors would also like to place on record their sincere appreciation to all employees of the Corporation for their commitment to the growth of the Corporation.

Form No. MR - 3

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2024

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members,

DNH and DD Power Corporation Limited

(Formerly known as DNH Power Distribution Corporation Limited)

CIN: U40100DN2012GOI000405

Vidyut Bhawan, 66 KV Road, Near Secreteriat,

Amlī, Silvassa - 396 230.

Dadar Nagar Haveli.

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **DNH and DD Power Corporation Limited** (hereinafter called **the Company**). Secretarial Audit was conducted in a manner that provided to us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives of each department during the conduct of secretarial audit, I hereby report that in our opinion, the Company has, during the audit period covering the financial year ended March 31, 2024, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31st 2024, according to the provisions of:

1. The Companies Act, 2013 (the Act) and the rules made there under;
2. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under; **(This clause is not applicable to the Company)**
3. The Depositories Act, 1996 and the Regulations and bye-laws framed there under; **(This clause is not applicable to the Company)**
4. Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings; **(This clause is not applicable to the Company)**
5. The Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'); **(This clause is not applicable to the Company)**
6. Other laws applicable specifically to the company namely:
 - a) Secretarial Standards issued by Institute of Company Secretaries of India made effective from 1st July, 2015
 - b) The Electricity Act, 2003;
 - c) Indian Electricity Rules, 1956;
 - d) Central Electricity Authority (Measures relating to Safety and Electric Supply) Regulations, 2010;
 - e) JERC Rules and Regulations, 2010
 - f) Factories Act, 1948;
 - g) Provident Fund Act 1952;
 - h) Labor Laws and other incidental laws related to labor and employees appointed by the Company either on its payroll or on contractual basis as related to wages, gratuity, provident fund, professional tax, ESIC, compensation etc.;

DIRECTORS' REPORT 2023-24

- i) Labor Welfare Act of respective State;
- j) Maternity Benefit Act, 1961
- k) Minimum Wages Act, 1948
- l) Payment of Bonus Act, 1965
- m) Payment of Gratuity Act, 1972
- n) Payment of Wages Act, 1936
- o) Workman's Compensation Act, 1923

- I During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. as mentioned above,
- I During the period under review, we have received the internal compliance certificates from Company's respective departments.

I further report that

1. The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non- Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review are carried out in compliance with the provisions of the Act. During the year necessary re-appointment of Independent Director is complied and required e-filing is fulfilled by the Company. New Managing Director was appointed during the year and necessary e-filing is complied with Registrar of Companies, Gujarat.
2. Adequate notice is given to all Directors to schedule the Board Meetings, agenda and detailed notes on agenda are sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
3. Being a wholly owned Government Company, the approved audited financial statements are required to be handed over to C & AG. However, the comments from C & AG were awaited before conducting the Board Meeting during the prescribed time. Thus, the Company was able to conduct only three Board Meetings during the year under review and unable to comply provision of Section 173(1) of the Companies Act 2013.
4. As per the Minutes of the meetings of the Board of Directors & the committee thereof duly recorded and signed by the Chairman the decision of the Board or Committee was unanimous and no dissenting views have been recorded.
5. I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period, there are no instances of:

- a) Public / Rights / Preferential issue of shares / debentures / sweat equity.
- b) Redemption / buy-back of securities.
- c) Major decisions taken by the members in pursuance to Section 180 of the Companies Act, 2013.
- d) Merger / amalgamation / reconstruction etc.
- e) Foreign technical collaborations.

DIRECTORS' REPORT 2023-24

CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNING AND OUTGO

**(Section 134(3)(m) of the Companies Act, 2013 read with Rule 8(3) of the
Companies (Accounts) Rules, 2014)**

(A) CONSERVATION OF ENERGY :

i) Steps taken or impact on conservation of energy :

As the Distribution business of the Corporation is privatized and after privatisation the Corporation (DNHDDPCL) currently remains associated with functions related to generation of electricity (solar) and transmission of electricity (as per the Schedule C of the Transfer Scheme notified in official gazette of UT Administration of Dadra & Nagar Haveli and Daman & Diu on 09/03/2022). Accordingly, the Corporation is performing the activities of 66 KV transmission business and renewable energy development i.e., solar energy generation by installing solar power plants. During the FY 2023-24 the Corporation has generated 60,86,414 KWh units of Solar Energy and also recovered ₹ 4,15,17,597 from DNHDDPCL i.e. new DISCOM.

The Corporation is the nodal agency for implementing Energy Conservation Act, 2001 in DNH, i.e., State Designated Agency (SDA). The BEE (Bureau of Energy Efficiency) has earlier designated 2 nos. of 66 KV consumers under PAT (Perform, Achieve, Trade) scheme of BEE and recently BEE has designated another 11 nos. of 66 KV consumers. The above designated consumers shall have to appoint energy auditor and energy manager and the performance of the consumer will be monitored by BEE in consultation with SDA.

The Corporation has also organised workshops through the consultant appointed by BEE in consultation with SDA for increasing awareness of the consumers in respect of energy conservation.

The Corporation is also implementing "UJJALA scheme" of Govt. of India and distributing LED bulbs, Tube Lights & Fans at affordable rates to conserve the Energy. Till 31st March, 2024 the Corporation have distributed total 24,591 number of LED bulbs, 350 number of Tube Lights and 373 number of Fans.

ii) The Steps taken by the Company for utilising alternate sources of energy;

The installed capacity of solar generation by the corporation is 4.3 MW for Ground Mounted and 0.485MW for rooftop. The Corporation has also installed Solar Rooftop Power Plant of 0.711 MW on deposit basis.

iii) The Capital investment on energy conservation equipment;

All the efforts and investment for conservation of energy are made within the normal developmental activities of the Corporation.

(B) TECHNOLOGY ABSORPTION: -

i) The efforts made towards technology absorption;

The Corporation has adopted various advanced technology like: -

- a) Use of online software for stores management.
- b) Distribution of LED bulbs / Tube Lights & Fans through EESL.
- c) Renewable Power Policy for promotion of solar energy has been notified by UT Administration of DNH & DD. Achieved installation of 4.3 MW for Ground Mounted Solar Power Plants and 1.196 MW for Rooftop Solar Power Plants.

ii)	The benefits derived like product improvement, cost reduction, product development or import substitution: -	NIL
iii)	In case of imported technology (imported during the last three years reckoned from the beginning of the financial year);	
a)	Details of technology imported-	NIL
b)	Year of import-	N. A.
c)	Whether technology been fully absorbed	N. A.
d)	If not fully absorbed, areas where this has not taken place, reasons therefore	N. A.
iv)	Expenditure incurred on Research and Development: -	NIL
(C) FOREIGN EXCHANGE EARNINGS & OUTGO: -		
	The Foreign Exchange earned in terms of actual inflows during the year and the Foreign Exchange outgo during the year in terms of actual outflows.	NIL

COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(b) OF THE COMPANIES ACT ON THE ACCOUNTS OF DNH and DD POWER CORPORATION LIMITED, SILVASSA FOR THE YEAR ENDED 31st MARCH 2024.

The preparation of financial statements of **DNH & DD Power Corporation Limited, Silvassa** for the year ended 31st March 2024 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 (Act) is the responsibility of the management of the Company. The Statutory Auditor appointed by the Comptroller and Auditor General of India under Section 139(5) of the Act is responsible for expressing opinion on the financial statements under Section 143 of the Act based on independent audit in accordance with the standards on auditing prescribed under section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated **21.06.2024**.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit of the financial statements of **DNH & DD Power Corporation Limited, Silvassa** for the year ended 31st March 2024 under section 143(6)(a) of the Act. This supplementary audit has been carried out independently without access to the working papers of the statutory auditors and is limited primarily to inquiries of the statutory auditors and company personnel and selective examination of some of the accounting records.

On the basis of my supplementary audit, nothing significant has come to my knowledge which would give rise to any comment upon or supplement to statutory auditor's report under section 143(6)(b) of the Act.

For and on behalf of
The Comptroller and Auditor General of India,

(**Rajiv Kumar Pandey**)
DIRECTOR GENERAL OF AUDIT
(Central Expenditure), NEW DELHI

COMMENTS OF CAG - 2023-24

To the Members of

DNH and DD Power Corporation Limited

(Formerly known as DNH Power Distribution Corporation Limited)

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying the standalone financial statements of M/s DNH and DD POWER CORPORATION LIMITED (Formerly known as DNH Power Distribution Corporation Limited) ("the Company"), which comprise the Balance Sheet as at 31st March, 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of material & significant accounting policy information and other explanatory information (hereinafter referred as to the 'standalone financial statements').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and the accounting principles generally accepted in India, of the State of Affairs of the Company as at 31st March, 2024, and its Profit (including other Comprehensive Income), Changes in Equity and its Cash Flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143 (10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that in our professional judgment, were of most significance in our audit of the standalone financial statements for the financial year ended 31 March 2024. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report.

Information other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Company's annual report, obtained at the date of this auditor's report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the state of

affairs (financial position), profit & loss (financial performance including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- I Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- I Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- I Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the standalone financial statements made by the Management and Board of Directors.
- I Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- I Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control, if any, that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical

requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. The Company is also governed by the provision of the Electricity Act 2003, rules and the regulations issued there under. The provisions of said Act have prevailed wherever they have been inconsistent with the provision of the Companies Act, 2013.
2. As required under the direction and sub-direction issued by Comptroller and Auditor General of India in terms of sub-section (5) of Section 143 of the Act and on the basis of such checks of the books and records of the company as we considered appropriate and according to information and explanation given to us, we are enclosing our report in the "Annexure-A".
3. As required by the Companies (Auditor's Report) Order, 2020 ('the Order') issued by the Central Government of India in terms of Section 143 (11) of the Act, we give in the "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the order.
4. As required by Section 143 (3) of the Act, we report, to the extent applicable, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the standalone financial statement.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the statement of Changes in Equity and Statement of Cash Flows dealt with by this Report are in agreement with the books of accounts.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) Being Government Company pursuant to Notification No. GSR 463 (E) dated 05/06/2015 issued by Ministry of Corporate Affairs, the provisions of Section - 164 (2) of the Act are not applicable to the Company.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure C**".
 - g) Being Government Corporation pursuant to Notification No. GSR 463 (E) dated 05/06/2015 issued by Ministry of Corporate Affairs, the provisions of Section - 197 (16) read with schedule V of the companies Act, 2013 regarding remuneration to directors are not applicable to the Government Company.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending Litigations on its financial positions in its financial statements - Refer Note 28 to the Standalone Financial Statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There was no amount, which were required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or

- entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b)** The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (c)** Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
 - v.** The Company has not declared or paid any dividend during the current year, in view of this, the compliance with Section 123 of the Companies Act, 2013 would not be applicable.
 - vi.** Based on our examination which includes test check, the Company has used accounting software for maintaining its books of account, which have a feature of recording audit trail (edit log) facility and the same was enabled and operated by the Company in the current financial year.

AUDITOR'S REPORT 2023-24

TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF DNH and DD POWER CORPORATION LIMITED

(Formerly Known as **DNH Power Distribution Corporation Limited**)

Report on directions and sub-directions issued by Comptroller and Auditor General of India under Section 143 (5) of the Companies Act, 2013.

- Whether the company has system in place to process all the accounting transactions through IT system? If yes, the implications of processing of accounting transactions outside IT system on the integrity of the accounts along with the financial implications, if any, may be stated.**

Based on records examined and explanations given to us, the company has system in place to process all the accounting transactions through IT system, and accordingly, the implications of processing of accounting transactions outside IT system on the integrity of the accounts would not be applicable to the Company.

- Whether there is any restructuring of an existing loan or cases of waiver/write off of debts/loans/interest etc. made by a lender to the company due to the company's inability to repay the loan? If yes, the financial impact may be stated. Whether such cases are properly accounted for? (In case, lender is a Government Company, then this direction is also applicable for statutory auditor of lender company).**

Based on records examined and explanations given to us, there is no restructuring of any loan or cases of waiver / write off of debts / loans / interest made by a lender to the company due to the company's inability to repay the loan. Further, company has also not granted any restructuring /waiver/write off of debts/loans/interest etc. to its borrower during the year.

- Whether funds (grants / subsidy etc.) received/receivable for specific schemes from Central/ State Government or its agencies were properly accounted for / utilized as per its term and conditions? List the cases of deviation.**

Based on records examined and explanations given to us, the funds received / receivable for specific schemes from central / state agencies were properly accounted for / utilized as per its term and conditions. The said receivable also represents grant / financial support / subsidy receivable as per the said scheme.

Sector specific sub-directions under section 143(5) of the companies Act.2013.

- Adequacy of steps to prevent encroachment of idle land owned by Company may be examined. In case land of the Company is encroached, under litigation, not put to use or declared surplus, details may be provided.**

Based on records examined and explanations given to us, neither any land of the Company is encroached nor under litigation. Further, Company does not have any unused land or declared as surplus land.

- Where land acquisition is involved in setting up new projects, report whether settlement of dues done expeditiously and in a transparent manner in all cases. The cases of deviation may please be detailed.**

Based on records examined and explanations given to us, Company has not acquired land during the financial year for setting up new projects. Hence, there is no dues against the land acquisition settlement. Accordingly, no cases of deviation reported during the financial year.

- Whether the Company has an effective system for recovery of revenue as per contractual terms and the revenue is properly accounted for in the books of accounts in compliance with the applicable Accounting Standards?**

Based on records examined and explanations given to us, the Company has effective system in place to recovery of revenue as per contractual terms and the revenue is properly accounted for in the books of accounts in compliance with the applicable Accounting Standards.

AUDITOR'S REPORT 2023-24

DNH and DD Power Corporation Limited

	–	Athal Sub-Station	0.80	Electricity Department D&NH			
	67.76	Wagdhara Sub-Station	0.85	Electricity Department D&NH			
	80.00	Dadra Sub-Station	2.32	Electricity Department D&NH			
Total	1,364.66						

* Gross Carrying Value (-) denotes the nominal value of land i.e. Re. 1.00.

AUDITOR'S REPORT 2023-24

- d) According to the information and explanations given to us and on the basis of examination of records of the Company, the Company has not revalued any of its Property, Plant and Equipment (including right-of-use assets) or intangible assets or both during the year.
- e) According to the information and explanations given to us and on the basis of examination of records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under Prohibition of Benami Property Transaction Act, 1988 and rules made thereunder.
- ii. a) As explained to us, the physical verification of inventory (i.e. stores and spares) has been conducted at reasonable intervals by the management. The procedures of physical verification of inventory followed by the Management including the coverage were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were 10% or more in the aggregate for each class of inventory.
- b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been sanctioned working capital limits in excess of five crore rupees including non-fund based letter of credit facility, in aggregate, from banks on the basis of security of current assets. Accordingly, the clause 3 (ii) (b) of the order are not applicable.
- iii. According to the information and explanation given to us and on the basis of our examination of the records of the Company, the Company has not made any investments, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured to companies, firms, limited liability partnerships or other parties during the year. Accordingly, the clauses 3 (iii) (a), (b), (c), (d), (e) and (f) of the order are not applicable.
- iv. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not granted any loans, or made investments, or provided guarantees and security covered under the provisions of section - 185 and 186 of the Companies Act, 2013. Accordingly, the clause 3 (iv) of the order are not applicable.
- v. The Company has not accepted any deposits or amounts which are deemed to be deposits from the public. Accordingly, clause 3 (v) of the Order is not applicable.
- vi. We have broadly reviewed the books of account maintained by the Company pursuant to the rules made by the Central Government for the maintenance of cost records under section 148 (1) of the Act, and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained.
- vii. In respect of statutory dues: -
 - (a) In our opinion, the Company has generally been regular in depositing undisputed statutory dues including Goods and Service Tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, Duty of customs, Duty of excise, Value Added Tax, Cess and any other statutory dues applicable to the company with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of the aforesaid dues were outstanding as at March 31, 2024 for a period of more than six months from the date of becoming payable.
 - (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no statutory dues referred to in sub-clause vii (a) above, which have not been deposited on account of any dispute as at March 31, 2024.
- viii. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded in the books of account, in the tax assessments under the Income-tax Act, 1961 as income during the year.
- ix. (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared a wilful defaulter by any bank or financial institution or other lender.

- (c) According to the information and explanations given to us by the management, the Company has not obtained any term loans. Accordingly, clause 3 (ix) (c) of the Order is not applicable.
- (d) According to the information and explanations given to us and on an overall examination of the balance sheet of the Company, we report that no funds have been raised on short-term basis by the Company. Accordingly, clause 3 (ix) (d) of the Order is not applicable.
- (e) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, the company has no subsidiaries, associates or joint ventures, accordingly, the clause 3 (ix) (e) and (f) of the Order is not applicable.
- x. (a) The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments). Accordingly, clause 3 (x) (a) of the Order is not applicable.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year. Accordingly, clause 3 (x) (b) of the Order is not applicable.
- xi. (a) Based on examination of the books and records of the Company and according to the information and explanations given to us and considering the principles of materiality outlined in Standards on Auditing, we report that no fraud by the Company or on the Company has been noticed or reported during the course of the audit.
- (b) According to the information and explanations given to us, no report under sub-section (12) of Section 143 of the Companies Act, 2013 has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) We have taken into consideration the whistle blower complaints, if any, received by the Company during the year, while determining the nature, timing and extent of our audit procedures.
- xii. The Company is not a nidhi Company and accordingly, the clause 3 (xii) of the order is not applicable to the Company.
- xiii. In our opinion, all transactions with the related parties are in compliance with Section 177 and 188 of Companies Act, 2013 and the details have been disclosed in the Standalone Financial Statements in Note No. 29 as required by the applicable accounting standards.
- xiv. (a) In our opinion, the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company, in determining the nature, timing and extent of our audit procedures.
- xv. In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected to its directors and hence, the provisions of Section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the clause 3 (xvi) (a) and (b) of the order is not applicable.
- (b) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the clause 3 (xvi) (c) of the order is not applicable.
- (c) According to the information and explanations given to us, the Group does not have any CIC. Accordingly, the clause 3 (xvi) (d) of the order is not applicable.
- xvii. The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors of the Company during the year. Accordingly, the clause 3 (xviii) of the order is not applicable.

- xix.** On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. (a)** There are no unspent amounts towards Corporate Social Responsibility (CSR) other than ongoing projects requiring a transfer to a Fund specified in Schedule VII to the Companies Act in compliance with second proviso to sub-section (5) of Section 135 of the said Act. Accordingly, reporting under clause 3 (xx) (a) of the Order is not applicable for the year.
- (b)** In respect of ongoing projects, the Company will be transferred Rs. 300.73 Lakh (Previous Year Rs. 258.86 Lakh) in respect of unspent Corporate Social Responsibility (CSR) amount as at the end of the financial year, to a Special account within a period of 30 days from the end of the financial year in compliance with the provision of section 135 (6) of the Act.
- xxi.** This being the standalone financial statements and not the consolidated financial statements, the reporting under clause 3 (xxi) of the order is not applicable to the company.

(Formerly Known as DNH Power Distribution Corporation Limited)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of DNH and DD Power Corporation Limited (Formerly known as DNH Power Distribution Corporation Limited) ("the Company") as of March 31, 2024 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended March 31, 2024.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- 1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

DNH and DD Power Corporation Limited

(Formerly **DNH Power Distribution Corporation Ltd**)
(A Govt. Undertaking) **CIN: U40100DN2012GOI000405**

2023-24 Annual Report

Annexure 'C' to the Independent Auditor's Report

- 2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- 3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Our opinion on the internal financial control system over financial reporting is not modified in respect of the above.

CASH FLOW STATEMENT – 2023-24

1. Corporate Information

DNH and DD Power Corporation Limited (DNHDDPCL or 'the Corporation') (erstwhile known as DNH Power Distribution Corporation Limited / DNHPDCL) is a Public Limited Company incorporated in India with its registered office at Vidhut Bhavan, 66 KV Road, Near Secretariat, Amli, Silvassa - 396230. The Corporation is a company with 100% shareholding by the President of India and nominees under administrative control of Ministry of Home Affairs ('MoHA'), the ultimate parent being the Government of India ('GOI'). The equity shares of the Corporation are not listed on any stock exchange. It was initially incorporated in July 2012 with the objective to carry out the business of electricity sub-transmission, distribution and retail supply as explained in the next clause.

Pursuant to 'The Dadra & Nagar Haveli (DNH) Electricity Reforms Transfer Scheme, 2013 notified vide notification no.1-1(594)/ELE/2013/697 dated 07/03/2013, the functions of distribution and its associated division (i.e. meter testing and laboratory division) of Electricity Department of DNH has been corporatized and stand transferred to the Corporation. The said scheme also includes the transfer of the entire assets, liabilities, rights, obligations and proceedings etc. of distribution and its associated division of Electricity Department of DNH to the Corporation from the effective date. Further, the effective date has been notified as 01/04/2013 vide notification no. 1-1(656)/ELE/2013/700 dated 08/03/2013. The initial assets and liabilities transferred to the Corporation in pursuant to above scheme had been transferred at the value as notified by Administrator vide notification no. DNH/Ele/Trans/2014/108/278 dated 04/06/2014.

Later-on, the Government of India has announced Aatma Nirbhar Bharat Abhiyan in May, 2020 to make India self-reliant through structural reforms. One of the key reform measures planned is to reform power distribution and retail supply in Union Territories. In this context, the Hon'ble Administrator of the Union Territory of Dadra and Nagar Haveli and Daman and Diu (hereinafter also referred as the "Government"), in the larger public interest and to promote the viability of power distribution, ensure economic efficiency, serve the interest of consumers, ensure progress and good governance has resolved to reform and restructure the power distribution and retail supply business in the Union Territory of Dadra and Nagar Haveli and Daman and Diu.

In furtherance of this objective, the Government, under Section 131, 133 and 134 of the Electricity Act, has notified Dadra and Nagar Haveli and Daman and Diu Electricity (Reorganisation and Reforms) Transfer Scheme, 2022 ("Transfer Scheme") to transfer the electricity distribution and retail supply functions together with the assets, liabilities, interests, rights, functions, obligations, proceedings and personnel of (a) the Electricity Department, Daman and Diu, and (b) DNH and DD Power Corporation Limited (Formerly known as DNHPDCL) to the Dadra and Nagar Haveli and Daman and Diu Power Distribution Corporation Limited (i.e. new distribution Company / DNHDD PDCL). The said transfer Scheme is notified vide notification no. 1(FTS-118044)/Electricity Distribution/Privatisation/2022/411 dated 09/03/2022 and made effective from 01/04/2022 vide notification no. 1(FTS-118044)/Electricity Distribution/Privatisation/2022/440 dated 14/03/2022. The DNHDDPDCL has been incorporated as a limited liability company under the Companies Act, 2013 to undertake the business of distribution and retail supply of electricity having distribution license (11 kv & below network) to distribute and supply of electricity in the UT of DNH & DD as per the provisions of the transfer scheme, notified as stated above in the said matter.

Moreover, as the Corporation (DNHDDPCL) currently remains associated with functions relating to generation of electricity (solar) and transmission of electricity (as per the Schedule C of the transfer scheme) after the privatisation. Hence, the residual business of the company would also require the alteration / change in the objective clause of the Memorandum of Association (MoA) by removing the electricity distribution and retail supply business from the existing clauses and by introducing the clauses to define the new business of the Corporation and also change of name of the Corporation as per transfer scheme. Accordingly, after due recommendations of the Board of Directors in its 39th Board Meeting held on 03/06/2022, the Shareholders of the Company in Extra-Ordinary General Meeting (EOGM) held on 03/06/2022 approved the change of name from 'DNH Power Distribution Corporation Limited' to 'DNH and DD Power Corporation Limited' and alteration in object clauses of the Corporation.

2. Basis for Preparation of Accounts:

These Financial Statements except the Cash Flow Statement are prepared on accrual basis of accounting and all principal accounting policies applied in the preparation of these Financial Statements are set out below. These policies have been consistently applied to all the financial years presented, unless otherwise stated.

i) Statement of Compliance

In accordance with the notification dated 16th February, 2015, issued by the Ministry of Corporate Affairs, the Corporation has adopted Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015 with effect from 1st April, 2016. The Financial Statements for the year ended 31st March, 2017 was the first Financial Statements of the Corporation which had been prepared in accordance with Ind AS. Accordingly, the date of transition to Ind AS was 1st April, 2015.

The Standalone Financial Statements have been prepared in accordance with Ind AS as prescribed under Section 133 of the Companies Act, 2013 ('the Act'), the Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act. The Corporation has adopted all the applicable Indian Accounting Standards ('Ind AS') in the preparation of Financial Statements.

ii) Basis of measurement

The Financial Statements have been prepared on historical cost basis considering the applicable provisions of Companies Act 2013 and Electricity Act 2003 except the following material items that have been measured at fair value as required by relevant Ind AS. Nevertheless, historical cost is generally based at the fair value of the consideration given in exchange for goods and services.

- I Certain financial assets/liabilities measured at fair value (refer accounting policy regarding financial instruments) and
- I Any other item as specifically stated in accounting policy.

The Financial Statement are presented in Indian Rupee ('INR') and all values are rounded to the Rupee in lakhs (up to two decimals), unless otherwise stated.

iii) Use of Estimate and Judgment

In the application of material accounting policy which are described in note (3) below, the management are required to make judgment, estimates and assumptions about the carrying amount of assets and liabilities, income and expenses and contingent liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from those estimates. The estimates and underlying assumptions are reviewed on ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised if the revision affects only that period, or in the period of revision and future periods if the revision affects both current and future period.

The few critical estimations and judgments made in applying accounting policies are useful life of Property, Plant & Equipments (PPE), evaluation of indicators of impairments of PPE, classification of security deposits, impairments of trade receivables and other financial assets and contingent liabilities. Similarly, the management provides for inventory obsolescence, surplus inventory and inventory with carrying values in excess of net realizable value based on assessment of the future uses.

Revision to accounting estimates are recognised prospectively in the Financial Statements in the period in which the estimates are revised and in any future periods affected.

The income or expenditure relating to previous period prior to current financial year of immaterial value is recognised in current Financial Statements. No restatement of prior period is made where the prior period errors are below the threshold limit i.e. the average of last three years of {0.5% of the size of financial position + 1% of Gross Block of Tangible Assets + 2% of size of revenue from operations + 5% profit / loss before tax}.

3. Summary of Material Accounting Policies Information

i) Property, Plant & Equipment

For transition to Ind AS, the Corporation has elected to continue with the carrying value of Property, Plant and Equipment ('PPE') recognised as of 1st April, 2015 (transition date) measured as per the Previous GAAP and use that carrying value as its deemed cost of the PPE as on the transition date.

PPE are stated at cost less accumulated depreciation and accumulated impairment losses except for freehold land which is not depreciated. Cost includes purchase price (after deducting trade discount / rebate) or construction cost, non-refundable duties and taxes, borrowing costs and other directly attributable cost to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

An item of PPE acquired on the basis of contribution made by consumers, which requires an obligation to provide electricity connectivity to the consumers is recognised at nominal value of ₹ 1.00. If the Corporation is also liable to make payment, then such an item of PPE is stated at cost attributable to the Corporation.

Subsequent costs are included in the carrying amount PPE or recognised as a separate item of PPE, as appropriate, only if the recognition criteria are satisfied. Subsequent costs relating to day to day servicing of an item of PPE are not recognised in the carrying amount of PPE, rather, these costs are recognised in the Statement of Profit & Loss. Likewise, when a major inspection / repair occurs, its cost is recognised in the carrying amount of PPE as a replacement, if the recognition criteria are satisfied.

An item of PPE is derecognised on disposal or when no future economic benefits are expected from use. Any profit or loss arising on the derecognition of an item of property, plant and equipment is determined as the difference between the net disposal proceeds and the carrying amount of the asset and is recognized in Statement of Profit & Loss.

ii) Intangible Assets

For transition to Ind AS, the Corporation has elected to continue with the carrying value of intangible assets recognised as of 1st April, 2015 (transition date) measured as per the Previous GAAP and use that carrying value as its deemed cost as on the transition date.

Intangible assets acquired separately are measured on initial recognition at cost. After initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. Software (not being an integral part of the related hardware) acquired for internal use are treated as intangible assets.

An item of Intangible asset is derecognised on disposal or when no future economic benefits are expected from its use or disposal. Any profit or loss arising from derecognition of an intangible asset is determined as the difference between the net disposal proceeds and the carrying amount of the asset, and are recognised in the Statement of Profit & Loss.

iii) **Impairment of tangible and intangible assets other than goodwill**

At the end of each reporting period, the Corporation reviews the carrying amounts of its PPE and other intangible assets to determine whether there is any indication that these assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where it is not possible to estimate the recoverable amount of an individual asset, the Corporation estimates the recoverable amount of the cash-generating unit ('CGU') to which the asset belongs. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. The resulting impairment loss is recognised in the Statement of Profit & Loss.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less cost to sell, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

Where an impairment loss subsequently reverses, the carrying amount of the asset or CGU is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset or CGU in prior years. A reversal of an impairment loss is recognised in the Statement of Profit & Loss.

iv) **Capital Work in Progress**

For transition to Ind AS, the Corporation has elected to continue with the carrying value of Capital Work in Progress ('CWIP') recognised as of 1st April, 2015 (transition date) measured as per the Previous GAAP and use that carrying value as its deemed cost as on the transition date.

Expenditure incurred on tangible assets under construction, which are not yet ready for its intended use, are carried at cost under Capital work in Progress ('CWIP'). Such costs comprise purchase price (after deducting trade discount/ rebate) including non-refundable duties and taxes and other costs that are directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

CWIP also includes inventories / construction supplies consumed as well as lying in stock for the purpose of construction. Payment against material pending acceptance or stage payment made to supplier or fabricator for supply of capital goods, if any are also grouped as part of CWIP. Major Renovation, Modernization and Up-gradation of an item of PPE resulting in increased life and / or efficiency are considered as CWIP and capitalized on its completion.

v) **Investment properties**

Investment properties held to earn rentals or for capital appreciation or both are initially stated at cost. Subsequent to initial recognition, investment properties are carried out at cost less accumulated depreciation and accumulated impairment loss, if any. Any gain or loss on disposal of investment property is determined as the difference between net disposal proceeds and the carrying amount of the property and is recognised in the Statement of Profit & Loss. Transfer to or from investment property is made when and only when there is change in use and carried out at the carrying amount of investment property.

vi) **Foreign Currency Transactions**

The Financial Statements of Corporation are presented in Indian Rupee (INR), which is also its functional currency. In preparing the Financial Statements, transactions in currencies other than the entity's functional currency are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are translated at the

rates prevailing at that date. Non-monetary items denominated in foreign currency are reported at the exchange rate ruling on the date of transaction. Exchange differences on monetary items are recognised in the Statement of Profit & Loss in the period in which they arise.

vii) Inventories

Inventory mainly consists of Operations & Maintenance ('O&M') stores & spares, which includes maintenance supplies, consumables and loose tools to be consumed in the operations & maintenance of PPE and those do not qualify as PPE. Inventories are valued at cost on weighted average and net realizable value ('NRV') whichever is lower. Cost of inventories include cost of purchase (after deducting trade discount / rebate) including non-refundable duties and taxes, cost of conversion and other related costs including incidentals like freight etc. incurred in bringing the inventories to their present location and condition. NRV is the estimated selling price in the ordinary course of business less the estimated costs necessary to make the sale.

The amount of any write-down of inventories to NRV and all abnormal losses of inventories are recognized as expense in the Statement of Profit & Loss in the period in which such write-down or loss occurs. The amount of any reversal of the write-down of inventories arising from increase in the NRV is recognized as a reduction from the amount of inventories recognized as an expense in the period in which reversal occurs.

viii) Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Corporation takes into account the characteristics of asset and liability if market participants would take those into consideration. Fair value for measurement and / or disclosure purposes in these Financial Statements is determined in such basis except for transactions in the scope of Ind AS 2, 17 and 116. Normally at initial recognition, the transaction price is the best evidence of fair value.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Corporation uses valuation techniques those are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All financial assets and financial liabilities for which fair value is measured or disclosed in the Financial Statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities that the entity can access at the measurement rate.

Level 2 - Valuation techniques for which the lowest level input (other than quoted prices included within level 1) that is significant to the fair value measurement is directly or indirectly observable.

Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

Financial assets and financial liabilities that are recognized at fair value on a recurring basis, the

Corporation determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization at the end of each reporting period.

ix) **Financial Instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. The Corporation recognizes a financial asset or financial liability in its balance sheet only when the entity becomes party to the contractual provisions of the instrument.

a) **Financial Assets**

A financial asset inter-alia includes any asset that is cash, equity instrument of another entity or contractual obligation to receive cash or another financial asset or to exchange financial asset or financial liability under condition that are potentially favorable to the Corporation.

Financial assets of the Corporation comprise trade receivables, cash and cash equivalents, Bank balances, investment other than equity shares, loans to employee / related parties / others, security deposits, claims recoverable etc.

Initial recognition and measurement

All financial assets except trade receivable are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are charged in the Statement of Profit & Loss. Where transaction price is not the measure of fair value and fair value is determined using a valuation method that uses data from observable market, the difference between transaction price and fair value is recognized in the Statement of Profit & Loss and in other cases spread over life of the financial instrument using effective interest. The Corporation measures the trade receivables at their transaction price, if the trade receivables do not contain a significant financing component.

Subsequent measurement

For purposes of subsequent measurement financial assets are classified in three categories:

- I Financial assets measured at amortized cost
- I Financial assets at fair value through OCI
- I Financial assets at fair value through profit or loss

Financial assets measured at amortized cost

Financial assets are measured at amortized cost if the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. These financial assets are amortized using the effective interest rate ('EIR') method, less impairment. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the Statement of Profit & Loss. The losses arising from impairment are recognized in the Statement of Profit & Loss.

Financial assets at fair value through OCI ('FVTOCI')

Financial assets are measured at fair value through other comprehensive income if the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. At initial recognition, an irrevocable election is made (on an instrument-by-instrument basis) to designate investments in equity instruments other than held for trading purpose at FVTOCI. Fair value changes are recognized in the other comprehensive income ('OCI'). However, the Corporation recognizes interest income, impairment losses and reversals and foreign exchange gain or loss in the Statement of Profit & Loss. On derecognition of the financial asset other than equity instruments designated as FVTOCI, cumulative gain or loss previously recognised in OCI is reclassified to the Statement of Profit & Loss.

Financial assets at fair value through profit or loss ('FVTPL')

Any financial asset that does not meet the criteria for classification as at amortized cost or as financial assets at fair value through other comprehensive income is classified as financial assets at fair value through profit or loss. Further, financial assets at fair value through profit or loss also include financial assets held for trading and financial assets designated upon initial recognition at fair value through profit or loss. Financial assets are classified as held for trading if they are acquired for the purpose of selling or repurchasing in the near term. Financial assets at fair value through profit or loss are fair valued at each reporting date with all the changes recognized in the Statement of Profit & Loss.

Derecognition of Financial Asset

The Corporation derecognises a financial asset only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity. If the Corporation neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the financial asset, the Corporation recognizes its retained interest in the asset and an associated liability for amounts it may have to pay.

Trade Receivables:

Trade receivables are carried at original invoice amount (Transaction Price) less any expected credit loss. Provisions are made where there is evidence of a risk of non-payment, taking into account ageing, previous experience and general economic conditions. As per Bad and Doubtful Debts Policy of the Corporation outlines the accounting treatment for receivables that become uncollectible, typically due to customer bankruptcy, trade disputes, or fraud. It mandates a 100% provision for receivables older than two years. Further, the Corporation has considered the last payment date by the receivable to the end of the current financial year for ageing methodology. Bad debts are written off after approval from the Board of Directors, following a thorough review procedure i.e. account ageing, previous experience and general economic conditions. The financial reflects sundry debtors net of the provision to maintain accuracy. Recoveries from previously written-off bad debts are treated as income and credited to a "Bad & Doubtful Recovery" account.

Impairment of Financial Asset

The Corporation assesses impairment based on expected credit loss ('ECL') model on the following:

- I Financial assets that are measured at amortised cost; and

- I Financial assets measured at FVTOCI.

ECL is measured through a loss allowance on a following basis: -

- I The 12 month expected credit losses (expected credit losses that result from those default events on the financial instruments that are possible within 12 months after the reporting date)
- I Full life time expected credit losses (expected credit losses that result from all possible default events over the life of financial instruments)

The Corporation follows 'simplified approach' for recognition of impairment on trade receivables or contract assets resulting from normal business transactions. The application of simplified approach does not require the Corporation to track changes in credit risk. However, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, from the date of initial recognition. The measurement of life time expected credit loss allowance for trade receivables / contract assets by using a practical expedient as permitted under Ind AS 109 i.e. expected credit loss as experienced on the historical periodicity.

For recognition of impairment loss on other financial assets, the Corporation determines whether there has been a significant increase in the credit risk since initial recognition. If credit risk has increased significantly, lifetime ECL is provided. For assessing increase in credit risk and impairment loss, the Corporation assesses the credit risk characteristics on instrument-by-instrument basis.

ECL is the difference between all contractual cash flows that are due to the Corporation in accordance with the contract and all the cash flows that the entity expects to receive (i.e. all cash shortfalls) discounted at the original EIR.

Impairment loss allowance (or reversal) recognized during the period is recognized as expense/income in the Statement of Profit & Loss.

b) Financial Liabilities

The Corporation's financial liabilities include loans & borrowings including bank overdrafts (if any), trade payables, security deposits, accrued expenses and other payables etc.

Initial recognition and measurement

All financial liabilities at initial recognition are classified as financial liabilities at amortized cost or financial liabilities at fair value through profit or loss, as appropriate. All financial liabilities classified at amortized cost are recognized initially at fair value net of directly attributable transaction costs. Any difference between the proceeds (net of transaction costs) and the fair value at initial recognition is recognised in the Statement of Profit & Loss or in the CWIP, if another standard permits inclusion of such cost in the carrying amount of an asset over the period of the borrowings using the Effective interest rate ('EIR') method.

Subsequent measurement

The subsequent measurement of financial liabilities depends upon the classification as described below: -

Financial Liabilities classified as Amortised Cost

Financial Liabilities that are not held for trading and are not designated as at FVTPL are measured

at amortised cost at the end of subsequent accounting periods. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. Interest expense that is not capitalized as part of costs of assets is included as Finance costs in the Statement of Profit & Loss.

Financial Liabilities classified as Fair value through profit & loss (FVTPL)

Financial liabilities classified as FVTPL includes financial liabilities held for trading and financial liabilities designated upon initial recognition as FVTPL. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Financial liabilities designated upon initial recognition at FVTPL only if the criteria in Ind AS 109 is satisfied.

Derecognition of Financial Liability

A financial liability is derecognized when the obligation under the liability is discharged / cancelled / expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit & Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

(x) Non-current assets (or disposal groups) held for sale and discontinued operations

Non-current assets or disposal held for sale

Non-current assets or disposal groups are classified as held for sale, if their carrying amount will be recovered principally through a sale transaction rather than through continuing use. Such assets or disposal groups are classified only when (a) sale is considered highly probable and (b) the asset or disposal group is available for immediate sale in its present condition subject only to terms that are usual and customary for sale of such assets. Upon classification, they are measured at the lower of their carrying amount and fair value less costs to sell. Non-current assets (including those that are part of a disposal group) are not depreciated or amortised while they are classified as held for sale. Interest and other expenses attributable to the liabilities of a disposal group classified as held for sale continue to be recognised.

An impairment loss is recognised for any initial or subsequent write-down of the asset (or disposal group) to fair value less costs to sell. A gain is recognised for any subsequent increases in fair value less costs to sell of an asset (or disposal group), but not in excess of any cumulative impairment loss previously recognised. A gain or loss not previously recognised by the date of the sale of the non-current asset (or disposal group) is recognised at the date of de-recognition.

Discontinued operation

A discontinued operation is a component of the entity that has been disposed of or is classified as held for sale and that represents a separate major line of business or geographical area of operations, is part of a single coordinated plan to dispose of such a line of business or area of operations, or is a subsidiary acquired exclusively with a view to resale. The results of discontinued operations are presented separately in the statement of profit and loss.

(xi) Share capital and share premium

Ordinary shares are classified as equity. Incremental costs directly attributable to the issue of new shares are shown in equity as a deduction net of tax from the proceeds. Par value of the equity share is recorded as share capital and the amount received in excess of the par value, if any is classified as share premium.

(xii) Dividend Distribution to equity shareholders

The Corporation recognizes a liability to make cash distributions to equity holders when the distribution is authorized and the distribution is no longer at the discretion of the Corporation. As per the corporate laws in India, a distribution is authorized when it is approved by the shareholders. A corresponding amount is recognized directly in other equity along with any tax thereon.

(xiii) Government Grants

Government grants (including subsidies) are recognized when there is reasonable assurance that the Corporation will comply with the conditions attached to them and that the grants will be received.

Grants that compensate the Corporation for the cost of an item of PPE (i.e. non-monetary assets) are recognised by deducting the grant in arriving at the carrying amount of the asset. Further, grants that may take the form of a transfer of a non-monetary asset (such as land or other resources) are recognised at a nominal amount.

Other government grants (grants related to income) are recognized as income over the periods necessary to match them with the costs for which they are intended to compensate on a systematic basis. Government grants that are receivable as compensation for expenses or losses already incurred or for the purpose of providing immediate financial support with no future related costs are recognized in the Statement of Profit & Loss in the period in which they become receivable. Grants related to income are presented under other income in the Statement of Profit & Loss except for grants received in the form of rebate or exemption which are deducted in reporting the related expense.

(xiv) Leases

The Company as a lessee

The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset. Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. Right of use (ROU) assets and lease liabilities includes these options, when it is reasonably certain that they will be exercised.

At the date of commencement of the lease, the Company recognizes a right-of-use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of 12 months or less (short-term leases) and low value leases. For these short-term and low-value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

The cost of the right-of-use asset comprises the amount of the initial measurement of the lease liability, any lease payments made at or before the inception date of the lease, plus any initial direct costs, less any lease incentives received. Subsequently, the right-of-use assets are measured at cost less any accumulated depreciation and accumulated impairment losses, if any. The right-of-use assets are

depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset. The estimated useful life of right-of-use assets are determined on the same basis as those of property, plant and equipment.

The Company applies Ind AS 36 to determine whether an ROU asset is impaired and accounts for any identified impairment loss as described in the accounting policy 3 (iii) impairment of tangible assets.

For lease liabilities at the commencement of the lease, the Company measures the lease liability at the present value of the lease payments that are not paid at that date. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined, if that rate is not readily determined, the lease payments are discounted using the incremental borrowing rate that the Company would have to pay to borrow funds, including the consideration of factors such as the nature of the asset and location, collateral, market terms and conditions, as applicable in a similar economic environment.

After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. The Company recognizes the amount of the re-measurement of lease liability as an adjustment to the right-of-use assets. Where the carrying amount of the right-of-use asset is reduced to zero and there is a further reduction in the measurement of the lease liability, the Company recognizes any remaining amount of the re-measurement in statement of profit and loss. Lease liability payments are classified as cash used in financing activities in the statement of cash flows.

The Company as a lessor

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases. When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the ROU asset arising from the head lease. For operating leases, rental income is recognized on a straight line basis over the term of the relevant lease.

(xv) Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised when there is a present legal or constructive obligation as a result of a past event and it is probable (i.e. more likely than not) that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Such provisions are determined based on management estimate of the amount required to settle the obligation at the balance sheet date. When the Corporation expects some or all of a provision to be reimbursed, the reimbursement is recognised as a standalone asset only when the reimbursement is virtually certain. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance costs.

Contingent liabilities are disclosed on the basis of judgment of management / independent experts. These are reviewed at each balance sheet date and are adjusted to reflect the current management estimate.

Contingent Assets are not recognized, however, disclosed in financial statement when inflow of economic benefits is probable.

(xvi) Revenue Recognition

The Corporation earns revenue primarily from transmission of power and generation of renewable resources (i.e. Solar Power) in the area of Dadra & Nagar Haveli. The tariff for the transmission of power

and generation of power is determined by Joint Electricity Regulatory Commission (JERC) i.e. regulatory authority. Revenue is recognised upon transfer of control of promised products or services to customers in an amount that reflects the consideration which the Corporation expects to receive in exchange for those products or services.

Revenue from Transmission of Power

Revenue from Transmission of Power is recognized on accrual basis for capacity of energy transmission in accordance with the respective tariff order awarded JERC or other regulation as applicable. Revenue is measured based on the transaction price, which is the consideration, adjusted for rebate, discount, price concession and similar allowances, if any. Revenue also excludes taxes, if any, collected from customers.

Contract assets are recognised when there is excess of revenue earned over billings as per applicable regulations. Contract assets are classified as unbilled receivables (only act of invoicing is pending), when there is unconditional right to receive cash, and only passage of time is required as per applicable regulations. Unearned and deferred revenue ("contract liability") is recognised when there are billings in excess of revenues as per applicable regulations.

Revenue from Sale of Solar Power

Revenue from Sale of Solar Power is recognized on accrual basis for energy supplied in accordance with the respective tariff order awarded JERC or other regulation as applicable. Revenue is measured based on the transaction price, which is the consideration, adjusted for rebate, discount, price concession and similar allowances, if any. Revenue also excludes taxes, if any, collected from customers.

Contract assets are recognised when there is excess of revenue earned over billings as per applicable regulations. Contract assets are classified as unbilled receivables (only act of invoicing is pending), when there is unconditional right to receive cash, and only passage of time is required as per applicable regulations. Unearned and deferred revenue ("contract liability") is recognised when there are billings in excess of revenues as per applicable regulations.

Other Miscellaneous Charges / Revenue from Consumers:

Other miscellaneous charges / revenue from consumers including past arrear dues related to distribution business are recognised on cash basis being immaterial value.

Interest Income

Interest on financial assets is recognised when it is probable that the economic benefits will flow to the Corporation and the amount can be measured reliably.

Other Income

- i)** Income in respect of delayed payment charges (DPC) on dues by consumers for sale of power and transmission of power are accounted on accrual basis as per relevant regulations and DPC on past arrear dues related to distribution business is recognised on cash basis being immaterial value.
- ii)** Sale of scrap is accounted for as and when the sale is completed and its collection is reasonably certain.
- iii)** Claims lodged with insurance companies and others are accounted for as and when these are settled by the concerned agencies.
- iv)** Other incomes excluding specifically stated above are recognised on accrual basis except when the ultimate realization of such income is uncertain.

xvii) Depreciation & Amortization:

The Corporation, being engaged in the electricity transmission business and renewable power generation business (previous year distribution business as explained in point no.1), is covered under the Electricity Act 2003 and the provisions of said Electricity Act supersede the provisions of Companies Act 2013.

- A. Tangible & Intangible Assets except Renewable Energy Plants-** The Joint Electricity Regulatory Commission (Generation, Transmission and Distribution Multi Year Tariff) Regulation provides that for Transmission Licensee, the depreciation shall be calculated at rates and norms notified / specified in the prevalent CERC Tariff Regulations for transmission system (Previous FY 2021-22- depreciation rates and norms notified / specified in the prevalent JERC Tariff Regulations for distribution system). Therefore, the depreciation of tangible assets and amortization of Intangible assets is provided on straight line method over the useful life of assets as per the rates specified / notified in respective Central Electricity Regulatory Commission (Generation, Transmission and Distribution Multi Year Tariff) Regulation (CERC). The residual value of the asset is considered as 10% and accordingly, the depreciation / amortization is provided up to the extent of 90% of original cost of asset except the salvage value for IT equipment and software shall be considered as NIL and 100% value of the assets shall be considered depreciable / amortise.
- B. Renewable Energy Plants-** The depreciation for Renewable Energy Plants of the Corporation aligns with JERC Renewable Energy Tariff Regulations. The said regulation provides that the value base for depreciation is the capital cost of the asset, with a 10% salvage value, allowing depreciation on 90% of the asset's cost. The Depreciation during the first 12 years of the tariff period is calculated at an annual rate of 5.83% based on "Different Depreciation Approach" and beyond the 12-year period or from the 13th year onward, depreciation is calculated using the "Straight Line Method" spreading the remaining depreciation over the rest of the useful life. Depreciation starts when the asset is operational, covering capital costs excluding the salvage value.

PPE or Intangible assets or renewable energy assets which are added / disposed-off during the year, depreciation / amortization is provided on pro rata basis from / up to the date on which the asset is available for use / disposal. The relevant / major depreciation rates of tangible assets are as under;

Assets Category	Rate (%)
Lines & Networks	5.28%
Underground Cables	5.28%
Transformer Centres	5.28%
Other Equipments	5.28%
Meters	5.28%
Batteries	9.50%
Buildings	3.34%
Vehicles	9.50%
Furniture & Fixtures	6.33%
Office Equipments	6.33%
Solar Power Plants (For First 12 years)	5.83%
Computers including Software	15.00%

xviii) Borrowing costs

Borrowing cost includes interest, commitment charges, brokerage, underwriting costs, discounts / premiums, financing charges, exchange difference to the extent they are regarded as interest costs and all ancillary / incidental costs incurred in connection with the arrangement of borrowing.

Borrowing costs which are directly attributable to acquisition/construction on qualifying assets that necessarily takes a substantial period of time to get ready for its intended use are capitalized as a part of cost pertaining to those assets. All other borrowing costs are recognised as expense to the Statement of Profit & Loss in the period in which they are incurred.

(xix) Employee Benefits

a) Short-term Employees Benefits

All short term employees' benefits such as salaries, wages, allowances, performance incentive and employee welfare costs are recognised during the period in which the employee render services and are measured at undiscounted amount expected to be paid when the liabilities are settled.

UT / GOI Employees (Employees on Deputation)

Leave Salary, Pension contribution and Provident Fund contributions in respect of employees on deputation from UT/GOI are paid to UT/GOI in accordance with the norms / rules prescribed by UT/GOI.

b) Post-employment benefits

The Corporation provides the post-employment benefits (i.e. Defined Contribution Plan) such as Provident Fund and Gratuity to the eligible employees.

Provident Fund

Eligible employees of the Corporation received benefits from Employees Provident Fund Organization (EPFO) constituted under the Employees Provident Fund and Miscellaneous Provisions Act, 1925. Both, the eligible employees and the Corporation makes monthly contributions to the EPFO equal to a specified percentage / fixed amount of employees' salary. The Corporation's Contribution to Provident Fund as per the said Act are charged to the Statement of Profit & Loss of the year when the contribution to the fund are due.

Gratuity

Liability towards Gratuity payable to eligible employees of the Corporation made by making provision as per Central Government Gratuity Rules under the Payment of Gratuity Act, 1972. The Corporation has taken the "Group Gratuity Scheme" covering all eligible employees from Life Insurance Corporation of India (LIC). In accordance with Central Government Gratuity Rules and Payment of Gratuity Act, 1972, the Group Gratuity Scheme provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment. Annual Contribution with regard to the Group Gratuity Scheme is determined by LIC on the basis of their actuarial valuations methodology and are charged to the Statement of Profit & Loss of the respective year.

(xx) Income Taxes

Income tax expense represents the sum of tax currently payable and deferred tax. Tax is recognised in the Statement of Profit & Loss, except to the extent that it relates to items recognised directly in equity or other comprehensive income. In this case the tax is also recognised directly in equity or in other comprehensive income.

Current tax

Current tax includes provision for Income Tax computed under Special provision (i.e. Minimum alternate tax) or normal provision of applicable Income Tax Act. The tax currently payable is determined on the

basis of taxable profit for the year computed in accordance with the provision of relevant Income Tax Act by using tax rates that have been enacted or by any amendment thereof for the reporting period. Further, Taxable profit differs from profit as reported in the Statement of Profit & Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible.

Deferred Tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the balance sheet and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences, unabsorbed losses and unabsorbed depreciation to the extent that it is probable that future taxable profits will be available against which those deductible temporary differences, unabsorbed losses and unabsorbed depreciation can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the balance sheet date. The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Corporation expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Corporation intends to settle its current tax assets and liabilities on a net basis.

(xxi) Statement of Cash Flows and Cash and Cash Equivalents

Statement of cash flows is prepared in accordance with the indirect method prescribed in the relevant Accounting Standard. For the purpose of presentation in the Statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. However, Bank overdrafts are shown within borrowings in current liabilities in the balance sheet for the purpose of presentation.

(xxii) Current versus non-current classification

The Corporation presents assets and liabilities in the Balance Sheet based on current/non-current classification.

a) An asset is current when it is:

- I Expected to be realized or intended to be sold or consumed in the normal operating cycle,
- I Held primarily for the purpose of trading,
- I Expected to be realised within twelve months after the reporting period, or

- | Expected to be realised within twelve months after the reporting period, or
- | Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

b) A liability is current when:

- | It is expected to be settled in the normal operating cycle,
- | It is held primarily for the purpose of trading,
- | It is due to be settled within twelve months after the reporting period, or
- | There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

- c)** Deferred tax assets and liabilities are classified as non-current assets and liabilities.
- d)** The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Corporation has identified twelve months as its operating cycle.

Total	1,364.66						

* Gross Carrying Value (-) denotes the nominal value of land i.e. ₹ 1.00.

- iv) The Corporation has redrawn its depreciation policy for renewable energy plants (Solar Plants) to align with JERC Solar Tariff Regulation. The key changes include a new depreciation rate specifically provided for renewable energy plants, as prescribed by JERC Solar Tariff Regulation, which is 5.83% per annum for the first 12 years, followed by a straight-line method over the remaining useful life. Previously, depreciation for renewable energy plants (Solar Plants) were provided at a rate of 5.28% using the straight-line method over the useful life of the assets, as per the rates specified / notified in respective Central Electricity Regulatory Commission (Generation, Transmission and Distribution Multi Year Tariff) Regulation (CERC). This has resulted in adjustment in current financial year of ₹ 35.13 Lakh in the current year depreciation block of renewable energy plants (Solar Plants) [Refer point no. 3 (xvii- B) of material accounting policy information].
- v) The Corporation (DNHDDPCL) currently remains associated with functions related to generation of electricity (solar) and transmission of electricity (as per the Schedule C of the transfer scheme) after the privatisation. Further, the deductions / adjustments in PPE in previous financial year was based on the final opening balance sheet of the new company notified in official gazette dated 31/03/2023. [Refer note no. 45 and point no. 1 of material accounting policy information].

02 Capital Work in Progress

Total		3,567.84	52,565.81

07 ii) Details of Bank Balances other than Cash and Cash Equivalents are as under: ₹ in Lakh

Particulars	As at 31st March 2024	As at 31st March 2023
Bank Deposits - with maturity more than 3 to 12 months	57,952.49	—
Total	57,952.49	—

iii) The Current Account balance included an amount of ₹ 311.12 Lakh (Previous Year ₹ 258.95 Lakh) related to unspent CSR balance of on-going projects and Current Year ₹ 300.73 Lakh is required to be transferred to a separate bank account. The said amount is not available for use in normal course of business (Refer Note - 19).

iv) The Deposit Account balance included an amount of ₹ 342.00 Lakh (Previous Year ₹ 104.75) related to unspent CSR balance of on-going projects. The said amount is not available for use in normal course of business (Refer Note - 19).

08 Current Financial Assets- Others

i) Details of Current Financial Assets- Others as under : (₹ in Lakh)

Particulars	As at 31st March 2024	As at 31st March 2023
Interest receivable on Deposit/Advances	—	5.27
Contract Asset towards consumer		
See description Note (ii)	1,648.00	—
See description Note (iii)	—	58.71
Total	1,648.00	63.98

ii) The Corporation is a rate regulated entity and tariff for transmission of electricity is determined by regulatory commission (JERC) as per respective MYT (Multi Year Tariff) Regulation. The said regulatory regime also results into sales billing in less of eligible revenue as per applicable regulations. In view of said circumstances, the accounting policy on 'Revenue recognition from transmission of power' provides that unbilled receivables (Contract Assets) is recognised, when there is billing in less of revenue as per applicable regulations. During the Current FY 2023-24, the Corporation has incurred Power Purchase Cost on account of the judgement dated 20.04.2023 passed by the Hon'ble Supreme Court in the matter of change in law claims by M/s GMR Warora Energy Limited (GWEL) and the Corporation has realised less revenue of ₹ 1,648.00 Lakh through sales billing / approved tariff rate (i.e. non recovery of power purchase cost) and accordingly, the same was shown as 'Contract Asset towards consumer'. This will be reversed and adjust in the next financial year through sales billing / approved tariff rate (Refer Note No. 21 'Revenue from Operations' and note no. 28(ii)(c)).

iii) The Others Receivable amounting to ₹ NIL (Previous Year ₹ 58.71 Lakh) as the total amount receivable in the previous year was received during the FY 2023-24 from REC and other concerned parties.

09 Other Current Assets

i) Details of Other Current Assets as under : (₹ in Lakh)

Total	40.94	13.68

10 Non-Current Assets classified as held for sale

i) Details of Non-Current Assets classified as held for sale as under : (₹ in Lakh)

Particulars	As at 31st March 2024	As at 31st March 2023
Non Current Assets		
Property, Plant & Equipments See description Note (ii)	159.44	159.44
Total	159.44	159.44

- ii) The Corporation has completed and commissioned underground cabling works in Silvassa Municipal Council area along with construction of new 66/11 KV GIS substation at Zanda Chowk, Silvassa. The said project has completed and commissioned in FY 2020-21. The completion of said project necessitated disposal of overhead lines, distribution transformers and other associated equipments being surplus infrastructure. As the said underground cabling project has been carried out with new technology in electricity distribution such as GIS substations and compact transformers, hence, the said surplus infrastructure as kept in use for some time to ensure the reliability and uninterrupted supply with new infrastructure. During the current financial year, the said surplus infrastructure is dismantled and classified as Non-current assets held for sale. The class/group of said non-current assets held for sale is as under –

(₹ in Lakh)

Sr. No.	Particular	Carrying Amount classified as held for sale at beginning of period	Amount recovered from Disposal of Assets in Current Financial Year	Carrying Amount classified as held for sale at the end of period
1	Transformer Centre	159.44	–	159.44
	Total	159.44	–	159.44

The Corporation has decided to disposed off the above non-current assets after its dismantling. These assets are available for immediate sale in its present condition and the management is reasonably certain that disposal for these assets is highly probable. The Corporation being the Government Entity has engaged MSTC Limited (Metal Scrap Trade Corporation Limited) for the disposal of these assets through e-auction mode.

viii)	Where a provision is made with respect liability incurred by entering into a to a contractual obligation, the movement of the provisions.	YES (Refer Note - 19)	YES (Refer Note - 19)

28 Contingent Liabilities & Commitments :

i) Contingent Liabilities not provided for includes : (₹ in Lakh)

Particulars	As at 31st March 2024	As at 31st March 2023
a) Claims against the Corporation not acknowledged as debts	51,834.35	42,064.72
b) Unexpired value of Bank Guarantee on behalf of the Corporation	–	1,193.00

ii) **Claims under point (i) (a) above includes :**

- a) Claim of ₹ 17,588.65 Lakh (Previous Year ₹ 7,754.43 Lakh) made by M/s Ratnagiri Gas & Power Private Limited (RGPPL) for the period October-2013 to March-2024. The RGPPL had stopped the generation and supply of power since October-2013 on account of minimum technical requirement load as the principle beneficiary (95% beneficiary of installed capacity) of the said power plant i.e. Maharashtra was not scheduling the power. Accordingly, the non-supply of the power as per the terms of Purchase Power Agreement (PPA) is solely on account of reason attributable to RGPPL, hence, the Corporation is not liable to make any payment to RGPPL. RGPPL has also not initiated / taken any litigation in the said matter before any authority as per the agreed terms of the PPA. If, the said contingent liability on the claim settlement is eventually arisen in the future, the same would be recovered from the consumers.
- b) Claim of ₹ 120,687.70 Lakh (Previous Year ₹ 18,359.29 Lakh) made by M/s GMR Warora Energy Limited (GWEL) for the period 26/03/2020 to 30/06/2020 on account of capacity charges. The Corporation had entered into an agreement (PPA) for procurement of 200 MW power through competitive bidding process (i.e. tendering) for a period of 7 years and 3 months starting from April-2013. The Ministry of Home Affairs vide its order no. 40-3/2020-DM-I(A) dated 24/03/2020 has ordered the complete lockdown with an aim to stop the spread across the country of COVID - 19 virus, which was declared as a pandemic by World Health Organisation. The Ministry of Finance vide its OM No. F 18/4/2020-PPD dated 19/02/2020 has clarified that 'Disruption due to spread of corona virus will be covered in the Force Majeure Clause as a case of natural calamity. Ministry of New and Renewable Energy vide OM No. 283/18/2020-Grid Solar dated 20/03/2020 has also conveyed the similar view. The CERC in its suo-motu petition no. 6/SM/2020 dated 03/04/2020 has further upheld that the generating companies whose tariff has been determined under Section 63 (i.e. through competitive bidding process) of the Electricity Act, relief on the Late Payment Surcharge for payment which become delayed beyond 45 days during the period from 24/03/2020 to 30/06/2020 may be claimed in terms of the force majeure provisions of the respective PPA.

The said unprecedented event of lockdown enforced to contain the spread of COVID-19 virus disrupted the power demand supply chain drastically in territory during the period 26/03/2020 to 30/06/2020 and registered a reduction in the range of 21% to 85% during the said period. The executed PPA with GWEL provides that "in case of a Natural Force Majeure Event affecting the Procurer (i.e. DNHDDPCL), no Tariff (including capacity charges) shall be paid by the Procurer to the Seller for the duration of such Natural Force Majeure Event. Accordingly, the Corporation is not liable for the payment of capacity charges for the period 26/03/2020 to 30/06/2020 as per the terms of the agreed PPA.

Further, CERC vide its order in petition no. 259/MP/2020 dated 20/01/2022 has decided the matter in favour of GWEL. In the said order, the CERC recorded its decision on the ground of recoverability of fixed charges from consumers, applying force majeure for other generators,

protection of cost recoverability under applicable regulation and other such factors rather than the executed contract terms of the agreed PPA. In view of above, an appeal is preferred and filed before APTEL (Appellate Tribunal for Electricity) against the order of CERC. If, the said contingent liability on the claim settlement is eventually arisen in the future, the same would be recovered from the consumers.

- c) The letter of assurance regarding the supply of coal from Coal India Limited was issued in June-2010 to M/s GMR Warora Energy Limited (GWEL) for Unit-2 (DNHDDPCL PPA). In the said assurance letter, the 100% supply of coal was assured to GWEL with the stipulation that the parameters of imported coal shall be as specified by Coal India Limited. Further, officials of GWEL in the discussion meeting with the officials of DNHDDPCL and also in letter dated 27/07/2012 confirmed that the quoted rates for 200 MW power supply are very competitive keeping in view the shortfall of domestic coal (i.e. linkage coal), which is required to be met by power producer either by auction coal / imported coal. In spite of above, CERC vide its common order in petition no. 284/MP/2018 dated 16/05/2019 allowed shortfall in linkage coal due to change in NCDP (New Coal Distribution Policy issued by Ministry of Coal in the October -2007) as change in law compensation for DNHDDPCL and MSDDL (Maharashtra) both. Whereas, the case of MSDDL was altogether different from the case of DNHDDPCL as letter of assurance to GWEL for MSDDL PPA by Coal India Limited was issued in November 2006 before to pronouncement of NCDP in October 2007. The total coal shortage compensation claim raised by GWEL is ₹ 12,406 Lakh (i.e. Coal Shortage claim Rs. 8,148 Lakh and carrying cost thereon ₹ 4,258 Lakh). Whereas, the said claim as per the computation of the Corporation is ₹ 2,393 Lakh (i.e. Coal Shortage claim ₹ 1,341 Lakh and carrying cost thereon ₹ 1,052 Lakh).

The GWEL claim is excessive on account of various reasons such as delay in execution of FSA (Fuel Supply Agreement) before supply of power, non-consideration of cheaper coal for computation of weighted average and consideration of linkage coal for supply of power in open market. The step wise calculation methodology / details of claim raised by GWEL has been requested vide office letter dated 25/06/2019 and 01/08/2019. However, GWEL has failed to submit the requested information till date, whereas the CERC order in petition no. 284/MP/2018 dated 16/05/2019 categorically states the submission of all the relevant documents along with the claim by GWEL. APTEL (Appellate Tribunal for Electricity) vide its order in Appeal no. 283 of 2019 dated 13/10/2020 has confirmed the view of CERC for the payment of coal shortage compensation claim as change in law.

In the matter of the appeal presented before the Supreme Court of India concerning the order dated 13/10/2020 issued by the Appellate Tribunal for Electricity (APTEL), the Hon'ble Court, upon due consideration, granted an interim stay subject to depositing of Rs. 2,393 Lakh, which was deposited on 27/03/2021 as per the calculation of the Corporation, which was also admitted before the APTEL in the said matter. In its judgement dated 20/04/2023 on the said matter, the Hon'ble Court has acknowledged the entitlement of GMR Warora Energy Limited (GWEL) to certain change in law claims, notably the shortfall in linkage coal and associated carrying costs. The Hon'ble Court's ruling was predicated only on policy considerations and hence, the GWEL has recovered the deposit of Rs. 2,393 Lakh from the Hon'ble Court. Accordingly, the deposit of Rs. 2,393 Lakh is deemed to constitute the full and final settlement of all related claims by the GWEL and any additional claims raised by GWEL are thereby adjudged as lacking in merit and further subject matter of examination. If, the said contingent liability on the claim settlement is eventually arisen in the future, the same would be recovered from the consumers.

- d) During the period April-2013 to June-2020 (i.e. PPA Period – 7 years 3 months), GMR Warora Energy Limited (GWEL) has raised supplementary energy bill for various change in law compensation claim such as clean energy cess (GST compensation cess), service tax (GST on coal

transportation), NEMT, DMF, CG - Prayawaran Tax & Vikas upkar Tax and Evacuation Facility allowed by Central Regulatory Electricity Commission (CERC). On appeal to Appellate Tribunal of Electricity (APTEL), the said matter was also decided in the favour of GWEL. In the said period, GWEL has raised a total claim of ₹ 16,478 Lakh (Previous Year ₹ 16,478 Lakh), whereas the actual claim paid by DNHPDCL is ₹ 12,933 Lakh (Previous Year ₹ 12,933 Lakh). The claim is less settled by an amount of ₹ 3,545 Lakh (Previous Year ₹ 3,545 Lakh). The lesser compensation claim settlement is due to excessive claim on account of various reasons (a) raising of bills from the date of notification in place of actual date of implication as change in law compensation allowed on paid basis (₹ 305 Lakh), (b) non passing of the reduction benefit of Central Sales Tax and Stowing Excise Duty post GST from July-2017 to June-2019 (₹ 700 Lakh), (c) excess claim of service tax (GST on transportation) on normative basis / coal transported by other means, whereas, change in law compensation allowed for transportation through railway (₹ 1,243 Lakh) and non-measurement of Gross Calorific Value (GCV) of coal as per CERC direction resulting in adoption of mid value of GCV as per coal invoices (₹ 1,297 Lakh).

An appeal is preferred before the Supreme Court of India against the order dated 14/08/2018 issued by the Appellate Tribunal for Electricity (APTEL). In its judgement dated 20/04/2023 on the said matter, the Hon'ble Court has acknowledged the entitlement of GMR Warora Energy Limited (GWEL) to certain change in law claims which were already allowed by CERC / APTEL. The Hon'ble Court's ruling was predicated only on policy considerations and hence, the actual claim paid by Corporation is deemed to constitute the full and final settlement of all related claims by the GWEL and the remaining less settled amount which is explained above, thereby adjudged as lacking in merit and further subject matter of examination. If, the said contingent liability on the claim settlement is eventually arisen in the future, the same would be recovered from the consumers.

- iii) The Corporation has contractually committed (net of advances) ₹ 137.49 Lakh and ₹ NIL as at March 31, 2024 and 2023 respectively for purchase / construction of Property, Plant & Equipment and Intangible Assets.

29 i) Related Parties – Key Management Personnel who exercise control :

	Name	Designation
a)	Shri Praful Patel	Chairman
b)	Shri Arun T.	Managing Director

- ii) Transaction with related parties mentioned in (I) above;
Remuneration for the FY 2023-24 ₹ NIL (Previous Year ₹ NIL)
Dues outstanding to the Corporation as at 31st March 2024 ₹ NIL (As at 31st March 2023: ₹ NIL)
- iii) The Corporation is ultimately controlled by the Central Government of India (GOI) and various entities which are controlled, jointly controlled or significantly influenced by the GOI are considered to be government related entities. The Corporation enters into various transactions in normal course of business with government related entities which are at its arms length and are entered on the basis of tendering procedures wherein other entities also participate. Further, the Corporation also enters into certain other transactions which are not subject matter of tendering procedures, however, these transactions are not outside normal day to day business operation and are not carried out on non market terms.

30 Details of Earnings per Share :

i) Earnings per Share (EPS) Basic and Diluted (after tax) is calculated as under: (₹ in Lakh)

Year	Numerator - Profit (after tax) as per the Statement of Profit & Loss	Denominator - Weighted Average number of equity shares outstanding (Face Value of ₹ 100/- each)	Earnings Per Share
Basic EPS for continuing operation before Rate Regulated Activities :			
2023-24	7,956.47	3,89,74,445	20.41
2022-23	3,872.20	3,89,74,445	9.94
Diluted EPS for continuing operation before Rate Regulated Activities :			
2023-24	7,956.47	3,89,74,445	20.41
2022-23	3,872.20	3,89,74,445	9.94
Basic EPS for continuing and discontinuing operation :			
2023-24	7,956.47	3,89,74,445	20.41
2022-23	3,872.20	3,89,74,445	9.94
Diluted EPS for continuing and discontinuing operation :			
2023-24	7,956.47	3,89,74,445	20.41
2022-23	3,872.20	3,89,74,445	9.94

ii) Weighted average no. of Equity Share used for calculation of Earnings per Share (Basic and Diluted) are as under:

Particulars	As at 31st March 2024	As at 31st March 2023
Weighted average no. of Equity Share used for calculation of Basic Earnings per Share	3,89,74,445	3,89,74,445
Adjustments for calculating Diluted Earnings per Share:	—	—
Share Application Money	—	—
Weighted average no. of Equity Share used for calculation of Diluted Earnings per Share	3,89,74,445	3,89,74,445

31 As stipulated in Ind AS-36 Impairment of Assets, the Corporation assessed potential Purchase of economic benefits from its business units and is of the view that assets employed in continuing businesses are capable of generating adequate returns over their useful lives in the usual course of business, there is no indication to the contrary and accordingly the management is of the view that no impairment provision is called for in these accounts.

32 Expenditure in foreign currency (on Payment Basis) are as under : (₹ in Lakh)

Particulars	FY 2023-24	FY 2022-23
i) Project related payments	NIL	NIL
ii) Other matters (travelling, subscription to books, periodicals, membership fee, etc.)	NIL	NIL

33 Receipts in foreign currency are as under : (₹ in Lakh)

* The Corporation has not disclosed the fair values for financial instruments as their carrying amounts are reasonable approximation of fair value.

NOTES OF FINANCIAL STATEMENT 2023-24

B. Financial risk management:

The Corporation has assessed followed risks arising from financial instruments:-

Risk	Exposure arising from	Measurement	Management
Credit risk	Cash & Cash equivalents, Bank Balance, Trade Receivables and financial assets measured at amortised cost.	Ageing analysis and credit ratings	Regular follow ups to ensure timely recovery and closely monitoring all receivables
Liquidity risk	Borrowings and other liabilities	Cash flow forecasts	Availability of regular cash flows through operations.

C. Credit risk management :

Credit risk refers to the risk that a counter party will default on its contractual obligations resulting in financial loss to the Corporation. Credit risk arises from Cash and Cash equivalents, investments carried at amortised cost, deposits with banks and financial institutions as well as credit exposures to customers including outstanding receivables. The carrying amounts of financial assets represent maximum credit exposure.

Trade receivables & Trade payables :

The Corporation limits its exposure to credit risk from trade receivables by establishing a maximum payment period of 45 days for all customers and by offering prompt settlement discounts if payment done within the stipulated time period. The Corporation's main consumer is Discom contributing more than 70% and has been transacting with the Corporation for over significant period of time, and the customer's balances are never credit-impaired at the reporting date.

The Corporation's exposure to credit risk for trade receivables by type of counterparty is given in Note. 6.

Balances with Banks and other financial assets :

For banks and financial institutions, only high rated banks/institutions are accepted. The Corporation holds cash and cash equivalents with bank and financial institution counterparties, which are having highest safety ratings based on ratings published by various credit rating agencies. The Corporation considers that its cash and cash equivalents have low credit risk based on external credit ratings of the counterparties.

For other financial assets, the Corporation assesses and manages credit risk based on reasonable and supportive forward looking information. The Corporation does not have significant credit risk exposure for these items.

D. Liquidity risk management :

Liquidity risk is the risk that the Corporation will not be able to settle or meet its obligations on time or at a reasonable price. The Corporation's Finance Department is responsible for liquidity, funding as well settlement management. The Corporation manages liquidity risk by maintaining adequate surplus and banking facilities by continuously monitoring forecast.

40 Capital Management:

The Corporation objective when managing capital is to safeguard their ability to continue as a going concern, so that they can continue to provide returns to shareholders and benefits for other stakeholders of capital.

41 Previous Year figures have been regrouped/reclassified to achieve the better presentation, requirement wherever found necessary.

42 Recent Pronouncements or Amendments

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2024, MCA has not notified any new standards or amendments to the existing standards applicable to the Corporation.

43 Current Assets, Loans and Advances etc. :

In the opinion of the management and to the best of their knowledge and belief, the value on realization of current assets, loans and advances in the ordinary course of business would not be less than the amount at which there are stated in the Financial Statement.

44 Other Disclosers in view of additional regulation information contained in Schedule-III of Division-II of the Companies Act, 2013.

- i) Any proceedings under Prohibition of Benami Property Transaction Act, 1988 or rules made thereunder has not been initiated / pending against the Corporation and accordingly, the related disclosures as prescribed in the respective Schedule-III would not be applicable.
- ii) The Corporation has not availed any fund based or non fund based credit facilities from any bank or financial institution on the basis of security of current assets in current year. As such, the relevant disclosure on these matters would not be applicable.
- iii) As the Corporation has not availed any sort of funding from Bank / financial institution. The declaration of the Corporation as willful defaulter would not be applicable.
- iv) The Corporation has registered the registration/ satisfaction of charge, whenever required with register of companies within the statutory period.
- v) The Corporation is a transmission utility and the Corporation has not made any investment in any struck off company. Further, being 100% Government Corporation, any shares of the Corporation is not held by any struck off company. Moreover, the Corporation transmit power to any other company as in the normal course of business and these consumers are required to provide security deposit before transmit of power. As such, it has been noticed that no material amount has been outstanding from any other company. In view of above, there would be some transactions in form of receivables (i.e. past arrear) with the struck off company by the Registrar of Companies, Gujarat. However, as no material amount is outstanding from past arrear consumers, hence, the receivables outstanding from struck off company is not disclosed being immaterial, tedious work and also absence of the requisite information in the present system.
- vi) The Corporation has not advanced/loaned/invested funds to any other person/entity with the understanding to have the disposal of said fund in identified manner. Further, the Corporation has not received any fund from any other person/ entity with the understanding to utilize the said fund with the instructions of the funding party. As such, the relevant disclosure on these matters would not be applicable.
- vii) The Corporation has no unrecorded transactions including undisclosed income which has been additionally disclosed under the Income Tax Act, 1961.
- viii) The Corporation has not traded/invested in crypto currencies / virtual currencies during the prescribed financial year.
- ix) There are no amounts of dividends proposed to be distributed to equity share holders.
- x) The Corporation has not revalued its property, plant & equipment and intangible assets. Hence, the related information as required in Schedule – III, Division – II of the Companies Act, 2013 has not been disclosed.
- xi) The Corporation has not granted any loans or advances in the nature of loans to promoters, directors, KMPs and the related parties either severally or jointly with any other person.
- xii) There are no unutilized amounts in respect of any issue of securities and long term borrowings from banks and financial institutions.
- xiii) The Corporation does not have any intangible asset under development.
- xiv) Information with regard to other matters as required by Schedule III of the Companies Act, 2013 are either NIL or Not Applicable or Complied / Disclosed wherever required to the Corporation.

xv) Analytical Ratios for the year ended March 31, 2024 and March 31, 2023

Particulars	Numerator	De nominator	31st March 2024	31st March 2023	Variance	Reason
Current Ratio	Current Assets	Current Liabilities	28.51	17.44	63.47%	Refer (8)
Debt- Equity Ratio (1)	Total Debt	Shareholder's Equity	–	–	0.00%	Not Applicable
Debt Service Coverage Ratio (2)	Earnings available for debt service (3)	Debt services	–	–	0.00%	Not Applicable
Return on Equity Ratio	Net profit after tax	Average Shareholder's Equity	11.04%	4.97%	122.13%	Refer (6&8)
Inventory Turnover Ratio	Cost of Goods Sold / Total Expenses	Average Inventory	3535.50	809.00	337.02%	Refer (6&8)
Trade Receivables Turnover Ratio	Revenue from Operation	Average Trade Receivables	7.45	0.36	1969.44%	Refer (6&8)
Trade Payables Turnover Ratio	Purchase of Power	Average Trade Payables	–	–	0.00%	Refer (6)
Net Capital Turnover Ratio	Revenue from operation (i.e. Net Sales)	Working Capital - (i.e. Current Assets - Current Liabilities)	0.21	0.13	61.54%	Refer (8)
Net profit Ratio	Net profit after tax	Revenue from operation (i.e. Net Sales)	61.66%	57.73%	6.81%	Not Applicable
Revenue on Capital Employed Ratio	Earning before interest and taxes	Capital Employed (4)	14.09%	8.97%	57.08%	Refer (8)
Return on Investment Ratio (5)	Earning before taxes	Total Equity	14.35%	9.17%	56.49%	Refer (8)

- (1) There is no long term debt, hence, the said ratio is not calculated.
- (2) There is no long term debt, hence, the said ratio is not calculated.
- (3) Earnings available for debt service = Net profit after tax + non-cash operating expenses + interest + other adjustments like loss sale of fixed assets.
- (4) Capital Employed = Tangible Net worth (i.e. Total Equity - Intangible Assets) + Total Long Term Debt + Deferred Tax Liability.
- (5) There is one investor in business i.e. equity shareholders and the equity share capital is also not traded in the market. Accordingly, the said ratio is computed considering the net worth / total equity.

- (6) The Corporation (DNHDDPCL) currently remains associated with functions related to generation of electricity (solar) and transmission of electricity (as per the Schedule C of the transfer scheme) after the privatisation. For the privatisation of distribution business, the Final Opening Balance Sheet is notified by the UT Administration of DNH & DD separately on dated 31/03/2023. Upon the notification of Opening Balance Sheet of the new company, there is restructuring of the business of DNHDDPCL i.e. reduction of assets and liabilities of electricity distribution business of DNHDDPCL. In the said scenario, the ratios are invariably high or less in comparison of previous year [Refer note no. 45 and significant accounting policies (point no. 1)].
- (7) In Electricity Transmission, the inventory mainly incudes stores and spares, hence, the said ratio is very high.
- (8) In current FY 2023-24, this is rate regulated business and price is determined by respective Commission. The net profit was higher on account of recovery of old revenue gap, and accordingly, resulting in variation of more than 25% for the ratio.

45 In May 2020, Government of India (GOI) announced 'Atma Nirbhar Bharat Abhiyaan' so as to make India self-reliant through structural reforms. The Hon'ble Finance Minister, GOI on 16/05/2020 further announced an initiative to privatise Electricity Distribution Business of Power Departments / Utilities in Union Territories (UTs) as a part of 'Aatmanirbhar Bharat Abhiyaan'. In the Joint Meeting of Secretary (Power), GOI with Advisors / Chief Secretaries of UTs, it was mandated to initiate the process of privatisation process for Electricity Distribution Business of Power Departments / Utilities in UTs. The Section 131 (4) of the Electricity Act, 2003 provides that the State Government (in case of UT, the Hon'ble Administration) by drawing up a transfer scheme may vest in a transferee the property, interest in property, rights and obligations of the Government Company.

In the 34th Meeting of Board of Directors of DNHDDPCL (Formerly known as DNHPDCL) held on 06/08/2020, the proposal for the privatisation of electricity distribution business was discussed and recommended and subsequently, approved by the members in the Extra-ordinary General Meeting of the Corporation held on 24/09/2020. In September 2020, the Ministry of Power issued Draft Standard Bidding Documents for Privatization of Distribution Licensees and suggested that existing distribution will be transferred to the new entity at regulatory approved net asset value and in case of distribution utility with lower AT&C (losses less than 15%), the bidding parameter would be upfront premium above net assets carrying value.

Notice Inviting Bids (NIT) to privatise electricity distribution business of DNHDDPCL along with the electricity distribution business of Daman & Diu was commonly issued by UT Administration of DNH & DD (Dadra and Nagar Haveli and Daman & Diu) in December – 2020. The proposed transfer scheme issued with NIT outlined the transfer of the assets and liabilities as per their book value plus upfront premium. The carrying values of assets and liabilities as published with NIT as per the audited Financial Statement as on 31/03/2020 is presented in table below. The carrying value change on the actual transfer date to be notified later will be further subject matter of quoted consideration adjustment.

UT Administration of DNH & DD (Dadra and Nagar Haveli and Daman & Diu) vide notification no. 1(FTS-118044)/Electricity Distribution/Privatisation/2022/411 dated 09/03/2022 has notified "THE DADRA AND NAGAR HAVELI AND DAMAN AND DIU ELECTRICITY (REORGANISATION AND REFORMS) TRANSFER SCHEME, 2022" and mandated the transfer of electricity distribution business of Corporation to a new Company named as Dadra and Nagar Haveli and Daman and Diu power Distribution Corporation Limited (a holding of Torrent Power Limited) w.e.f. 01/04/2022.

NOTES OF FINANCIAL STATEMENT 2023-24

Upon the said transfer, there is restructuring of the business of DNHDDPCL i.e. reduction of assets and liabilities of electricity distribution business of DNHDDPCL at net carrying value and adjustment of equity by the residual value i.e. adjusted from the available free reserves with the Corporation. The business of electricity transmission (i.e. 66KV and above lines and associated infrastructure) and solar power plants will remain with DNHDDPCL post the said restructuring. In this connection, the said transferred net assets value i.e. ₹ 23,502.80 Lakh arose in the event of privatisation of distribution business, the same may be utilised in future events of any merger of other transmission utility of DNH & DD with the Corporation or any assets received from the UT Administration of DNH & DD.

46 The standalone financial statements are approved for issue by the Board of Directors on 29.06.2023.
