OFFICE MEMORANDUM

Sub :- Release of Power connections reg.

In continuation of OM dated 02/07/2012, the UT Administration of Dadra and Nagar Haveli has decided to release the power to the HT and EHT consumers in the UT of Dadra & Nagar Haveli as per following formula.

- I. To release all the pending power to the applications registered up to year 2008-09 in both 11 KV & 66 KV category.
- II. To release 50 % of the balance pending demand in all the HT 11 KV industrial applications registered during 2009-10 to 2012-13 up to 28.02.2013 subject to minimum 200 KVA.
- III. To release power up to 200 KVA for the HT industrial applications registered after 28.02.2013.
- IV. To release 25 % of the balance pending demand for EHT 66 KV industrial applications registered during 2009-10 to 2012-13 up to 28.02.2013
- V. In the category of I, II, III & IV above, power applications shall be processed in a phased manner i.e. the older pending applications shall be cleared first and power released strictly as per the seniority and only on the Department's capacity to release the power. No seniority shall be jumped. The release shall be stopped forthwith in the case of any difficulty of shortage of power arises.
- VI. Those applicants who do not come forward within 30 days from the date of issuance of Demand Notice for release of power, the applications of such consumers shall be treated as cancelled and seniority / priority of such cases shall be forfeited without any further notice.

VII. The release of power as decided above shall be subject to availability of power and carrying capacity of the Sub - Stations and related equipments at different locations.

The Electricity Department is directed to follow the above instructions strictly and release the power, in most transparent and systematic manner. The list of pending applications (date wise) is duly kept on the website. Any deviation from the above policy shall be viewed seriously and action will be taken against erring officials.
