Sub:- Release of power connections – Reg.

Keeping in view of the pending applications for release of power, the UT Administration of Dadra & Nagar Haveli has decided to release the power to the HT consumers in the UT of Dadra & Nagar Haveli as per following formula in addition to the earlier memorandum dtd 27.01.2012 and 15.03.2012.

1. HT industrial applications registered on or before 31/03/2008.
It has been decided to release total balance power in this category .
2. HT industrial applications registered after 27/01/2012 onwards.
It has been decided to release power in this category up to 20% of the applied load subject to minimum 200 KVA.
3. It has been decided to release upto 300 KVA power to the applicants submitted their application for new connection only from 01.04.2008 to 27.01.2012 at 11 KV level.
4. In the category of 1 & 3, power applications shall be processed in a phased manner i.e The older pending applications shall be cleared first and power released strictly as per the seniority and only on the Department's capacity to release the power. No seniority shall be jumped. The release shall be stopped forthwith in the case of any difficulty of shortage of power arises.
5. Those applicants who do not come forward within 30 days from the date of issuance of demand Notice for release of power, the applications of such consumers shall be treated as cancelled and seniority/ priority of such cases shall be forfeited.
6. The release of power as decided above shall be subjected to availability of power and carrying capacity of the Sub stations and related equipments at different locations.

The Electricity Department is directed to follow the above instructions strictly and release the power, in most transparent and systematic manner. The list of pending applications (date wise) is duly kept on the website. Any deviation from the above policy shall be viewed seriously and action will be taken against erring officials.
